

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: AMH 2014 2 & Borrower LLC  
DOCKET NO.: 16-05557.001-R-1  
PARCEL NO.: 06-02-156-003

The parties of record before the Property Tax Appeal Board are AMH 2014 2 & Borrower LLC, the appellant, by attorney Michael R. Davies, of Ryan Law LLP in Chicago; and the McHenry County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **McHenry** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$10,384  
**IMPR.:** \$23,753  
**TOTAL:** \$34,137

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the McHenry County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of vinyl exterior construction with 1,346 square feet of living area. The dwelling was constructed in 2001. Features of the home include a full basement, fireplace, central air conditioning and a two-car garage.<sup>1</sup> The property has an 8,712 square foot site and is located in Harvard, Dunham Township, McHenry County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted a list of fifteen comparable sales. The appellant's comparable properties include sales that occurred from January 2013 to October 2015 for prices ranging from \$33,100 to \$95,000. The appellant provided no substantive descriptive information about the comparables

<sup>1</sup> Appellant's counsel provided limited information regarding the features of the subject property beyond its age and above-grade living area. Descriptive details concerning the subject were provided by the board of review with a property record card and are reflected in this decision.

other than that the dwellings were built from 2000 to 2006 and range in size from 1,210 to 1,442 square feet of above-grade living area. Based on this evidence, the appellant requested the subject's assessment be reduced to \$11,033 which would reflect a market value of approximately \$33,100.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$34,137. The subject's assessment reflects a market value of \$102,544 or \$76.18 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for McHenry County of 33.29% as determined by the Illinois Department of Revenue.

In response to the appellant's evidence, the board of review submitted a memo from the township assessor stating the appellant used sales from 2013, 2014 and 2015, and that the subject sold in 2013 for \$72,901.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales consisting of one-story or split-level dwellings of vinyl or brick and aluminum exterior construction. The homes were built in 2004 or 2005 and range in size from 1,294 to 1,330 square feet of living area. Each comparable has a basement, central air conditioning and a garage. The comparables sold between July 2015 and August 2016 for prices ranging from \$110,000 to \$154,000 or from \$82.71 to \$117.29 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties provided a total of eighteen comparable sales to support their respective positions before the Property Tax Appeal Board. The Board finds that little weight shall be given to the appellant's evidence as it contained no substantive descriptive information about the dwellings to allow the Property Tax Appeal Board to conduct a meaningful comparative analysis of the comparable sales as compared to the subject property. Additionally, thirteen of the appellant's comparables sold in 2013 or 2014, not as proximate in time to the assessment date as the sales provided by the board of review.

The Board finds the best evidence of market value to be the board of review comparable sales. These comparables are similar to the subject in age, dwelling size, exterior construction and several features. The comparables sold between July 2015 and August 2016 for prices ranging from \$110,000 to \$154,000 or from \$82.71 to \$117.29 per square foot of living area, including land. The subject's assessment reflects a market value of \$102,544 or \$76.18 per square foot of living area, including land, which is below the range established by the best comparable sales in

this record both in terms of overall value and on a per-square-foot basis. On this record, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
