

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Accor North America, Inc. d/b/a Motel 6  
DOCKET NO.: 16-05617.001-C-2  
PARCEL NO.: 22-34.0-151-003

The parties of record before the Property Tax Appeal Board are Accor North America, Inc. d/b/a Motel 6, the appellant, by attorney Kevin B. Hynes of O'Keefe Lyons & Hynes, LLC in Chicago; and the Sangamon County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Sangamon** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$187,176  
**IMPR.:** \$449,427  
**TOTAL:** \$636,603

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Sangamon County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject is improved with a three-story limited service hotel with 104 rooms. The building has a synthetic stucco clad exterior, poured reinforced concrete foundation, wood framing, double glazed with aluminum frame windows, a three-stop elevator and is fully sprinkled. Other features include a lobby, in-house and guest laundry, and an outdoor swimming pool. The building was constructed in 1974 and has 51,644 square feet of building area. The property has a 130,680-square foot site with 110 stripped parking spaces. The property is located in Springfield, Capital Township, Sangamon County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$1,910,000 as of January 1, 2015. The appraisal was prepared by Donald P. DiNapoli, an Illinois Certified General Appraiser, and Edward V. Kling, an Illinois Certified General Appraiser. In

estimating the market value of the subject property, the appraisers developed the sales comparison approach to value and the income approach to value.

The appellant submitted a copy of the final decision issued by the board of review disclosing a total assessment of \$797,333, which reflects a market value of \$2,391,999. The appellant requested the subject's assessment be reduced to \$636,603, to reflect the appraised value.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value in the record to be the appraisal submitted by the appellant estimating the subject property had a market value of \$1,910,000 as of January 1, 2015. The subject's assessment reflects a market value of \$2,391,999, which is above the appraised value presented by the appellant. The board of review did not submit any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. (86 Ill.Adm.Code 1910.40(a) & 1910.69(a)). The Board has examined the information submitted by the appellant and finds that it supports a reduction in the assessed valuation of the subject property commensurate with the appellant's request.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
