

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Zina O'Callaghan  
DOCKET NO.: 16-05933.001-R-1  
PARCEL NO.: 09-18-206-017

The parties of record before the Property Tax Appeal Board are Zina O'Callaghan, the appellant, by attorney Brian S. Maher, of Weis, DuBrock, Doody & Maher in Chicago; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$38,820  
**IMPR.:** \$33,970  
**TOTAL:** \$72,790

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is improved with a one-story dwelling of frame exterior construction with 960 square feet of living area on a 13,543 square foot site. The dwelling was constructed in 1952. Features of the home include a garage of 280 square feet of building area. The property is located in Downer's Grove, Downer's Grove Township, DuPage County.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on three assessment comparables located within the same neighborhood code as the subject. The appellant is not contesting the land assessment. Appellant's comparables are improved with a one-story, two-story, and part 1.5 story and part one-story dwellings. The dwellings are of brick or frame construction and range in size from 1,212 to 1,536 square feet of living area. The dwellings were constructed from 1926 to 1940. One comparable features central air conditioning; two comparables feature a fireplace and a

garage ranging in size from either 280 or 540 square feet of building area. The comparables had improvement assessments that range from \$36,420 to \$48,350 or from \$29.73 to \$33.84 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment of the subject be reduced to \$30,409 or \$31.68 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$72,790. The subject property has an improvement assessment of \$33,970 or \$35.39 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on three equity comparables located in the same neighborhood code assigned by the township assessor as the subject property. The comparables are improved with one-story style frame dwellings ranging in size from 864 to 960 square feet of living area. The dwellings were constructed in 1956 and 1957. One comparable features central air conditioning and two comparables feature a garage with either 352 or 528 square feet of building area. The comparables have improvement assessments which range from \$35,140 to \$42,360 or from \$38.70 to \$46.45 per square foot of living area. Based on this evidence, the board of review requested that the subject's improvement assessment be affirmed.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparable #1 and #3 due to their different design style, size, and age when compared to the subject.

The Board finds the best evidence of assessment equity to be the remaining four comparables. These comparables have closest similarity in location, dwelling size, design style, age and features when compared to the subject property. Most compelling are the three comparable submitted by the board of review due to being very similar in location, size, design, and features when compared to the subject. The four comparables have improvement assessments which range from \$35,140 to \$48,350, or from \$29.73 to \$46.45 per square foot of living area. The subject's improvement assessment of \$33,970, or \$35.39 per square foot of living area falls within the range established by the best comparables in this record on a square foot basis. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's improvement assessment is supported. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
