

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Everest Real Estate Inves
DOCKET NO.: 16-05936.001-R-1
PARCEL NO.: 02-06-410-184

The parties of record before the Property Tax Appeal Board are Everest Real Estate Inves, the appellant, by attorney Michael R. Davies, of Ryan Law LLP in Chicago; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,740
IMPR.: \$17,340
TOTAL: \$27,080

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of one-story quad dwelling of frame and brick exterior construction. The building was constructed in 1978. The subject dwelling has 1,062 square feet of living area and a one-car garage. The property is located in Hanover Park, Bloomingdale Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that sold in June and November 2016 for prices ranging from \$36,000 to \$66,500. The appellant provided little descriptive information about the purported comparable sales or the subject property for comparison. The appellant requested the assessment be reduced to \$12,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$27,080. The subject's assessment reflects a market value of \$81,346 or \$76.60 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for DuPage County of 33.29% as determined by the Illinois Department of Revenue.

The board of review's submission revealed that the appellant's comparable sale #2 was a dissimilar two-story style dwelling and #4 was a dissimilar three-story dwelling, unlike the subject.

In support of its contention of the correct assessment the board of review submitted information on eight comparable sales. The comparables were similar dwellings of frame and masonry construction that were built from 1976 to 1978. The dwellings have 1,062 square feet of living area and a one-car garage. The comparables had sale dates occurring from June 2014 to September 2016 for prices ranging from \$92,500 to \$124,900 or from \$87.10 to \$117.61 per square foot of living area, including land. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of twelve comparable sales for the Board's consideration. The Board gave less weight to the appellant's comparables #2 and #4, due to their dissimilar construction styles, when compared to the subject's style. The Board also gave less weight to the board of review's comparable sales #2 and #3, due to their sale dates occurring greater than 16 months prior to the January 1, 2016 assessment date at issue. The Board finds the best evidence of market value to be the appellant's comparable sales #1 and #3, as well as the board of review's comparable sales #1, #4, #5, #6, #7 and #8. These comparables were most similar to the subject in location, style, size, age and features. These sales also occurred most proximate in time to the assessment date at issue. The parties' best comparables sold from July 2015 to September 2016 for prices ranging from \$62,000 to \$124,900 or from \$67.10 to \$117.61 per square foot of living area, including land. The subject's assessment reflects a market value of \$81,346 or \$76.60 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
