

## FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: American Homes 4Rent  
DOCKET NO.: 16-05938.001-R-1  
PARCEL NO.: 03-05-100-209

The parties of record before the Property Tax Appeal Board are American Homes 4Rent, the appellant, by attorney Michael R. Davies, of Ryan Law LLP in Chicago; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

<b>LAND:</b>	\$18,860
<b>IMPR.:</b>	\$66,040
<b>TOTAL:</b>	\$84,900

Subject only to the State multiplier as applicable.

### **Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

### **Findings of Fact**

The subject property consists of a two-story dwelling of brick and frame construction with 1,800 square feet of living area. The dwelling was constructed in 1999. Features of the home include a full unfinished basement, central air conditioning and a 400 square foot garage. The property has approximately 1,800 square feet of land area and is located in Itasca, Addison Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that sold from June 2016 to January 2017 for prices ranging from \$141,000 to \$240,000. The appellant provided little descriptive information about the purported comparable sales or the subject property for comparison. The appellant requested the assessment be reduced to \$33,333.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$84,900. The subject's assessment reflects a market value of \$255,032 or \$141.68 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for DuPage County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on six comparable sales. The comparables were similar dwellings of brick and frame construction that range in size from 1,628 to 1,850 square feet of living area. The homes were built in 1999. Features include full basements, two of which are finished, central air conditioning and a 400 square foot garage. The comparables had sale dates occurring from November 2014 to October 2015 for prices ranging from \$257,500 to \$303,500 or from \$143.06 to \$165.23 per square foot of living area, including land. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales for the Board's consideration. The Board gave less weight to the appellant's comparables due to their differences in location and/or features, when compared to the subject. In addition, the appellant's comparable sale #2 occurred greater than 12 months subsequent to the January 1, 2016 assessment date. The Board also gave less weight to the board of review's comparable sale #1, due to its sale date occurring greater than 13 months prior to the assessment date at issue. The Board finds the best evidence of market value to be the board of review's comparable sales #2 through #6. These comparables were most similar to the subject in location, style, size, age and features. These sales also occurred most proximate in time to the assessment date at issue. The best comparables sold from April to October 2015 for prices ranging from \$269,000 to \$303,500 or from \$147.57 to \$165.23 per square foot of living area, including land. The subject's assessment reflects a market value of \$255,032 or \$141.68 per square foot of living area, including land, which is below the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
