

FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: AH4R IL4 LLC
DOCKET NO.: 16-05944.001-R-1
PARCEL NO.: 07-26-111-002

The parties of record before the Property Tax Appeal Board are AH4R IL4 LLC, the appellant, by attorney Michael R. Davies, of Ryan Law LLP in Chicago; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$18,430
IMPR.: \$42,110
TOTAL: \$60,540

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story townhouse of frame construction with 1,488 square feet of living area. The dwelling was constructed in 1994 and has a one-car garage. The property has approximately 2,500 square feet of land area¹ and is located in Naperville, Naperville Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that sold from February 2014 to October 2015 for prices ranging from \$165,000 to \$179,000. The appellant provided little descriptive information about the purported comparable sales or the subject property for comparison. The appellant requested the assessment be reduced to \$49,000.

¹ The Board finds the parties differ slightly as to the size of the subject's lot, however, the difference will not impact the Board's decision for this appeal.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$60,540. The subject's assessment reflects a market value of \$181,856 or \$122.22 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for DuPage County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales, one of which was also submitted by the appellant. The comparables were similar townhomes of frame construction that have 1,488 or 1,499 square feet of living area. The dwellings were built in 1994 or 1995. Three of the comparables have a one-car garage. The comparables had sale dates occurring from February 2014 to October 2015 for prices ranging from \$179,000 to \$194,000 or from \$120.30 to \$129.42 per square foot of living area, including land. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales for the Board's consideration. The Board gave less weight to the appellant's comparable sale #1, as well as the parties' common comparable, due to their sale dates occurring greater than 21 months prior to the January 1, 2016 assessment date at issue. The Board finds the parties' remaining comparables were most similar to the subject in location, style, size, age and features. These sales also occurred most proximate in time to the assessment date at issue. The best comparables sold from March to October 2015 for prices ranging from \$167,000 to \$194,000 or from \$111.41 to \$130.97 per square foot of living area, including land. The subject's assessment reflects a market value of \$181,856 or \$122.22 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
