

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Desai Dipika J
DOCKET NO.: 16-05951.001-R-1
PARCEL NO.: 01-16-102-008

The parties of record before the Property Tax Appeal Board are Desai Dipika J, the appellant, by attorney Michael R. Davies, of Ryan Law LLP in Chicago; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$26,690
IMPR.: \$90,890
TOTAL: \$117,580

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame construction with 2,802 square feet of living area. The dwelling was constructed in 1994. Features of the home include a 1,302 square foot basement that is 54% finished, central air conditioning, a fireplace and a 502 square foot garage. The property has a 10,600 square foot site¹ and is located in Bartlett, Wayne Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that sold from June 2013 to December 2015 for prices ranging from \$315,000 to \$340,000. The appellant provided little descriptive information about the purported comparable sales or the subject property for comparison,

¹ The parties differ slightly as to the size of the subject's lot; however, the Board finds the discrepancy will not impact the decision in this appeal.

however, the appellant's comparable grid revealed that the subject was purchased in May 2016 for \$355,000. The appellant requested the assessment be reduced to \$83,333.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$117,580. The subject's assessment reflects a market value of \$353,199 or \$126.05 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for DuPage County of 33.29% as determined by the Illinois Department of Revenue.

As to the subject's May 2016 purchase price of \$355,000, the board of review argued that the subject's 2016 assessment equates to a market value lower than its recent purchase price.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales. The comparables were two-story dwellings of frame or frame and masonry construction that range in size from 2,476 to 2,632 square feet of living area. The dwellings were built from 1990 to 1997. The comparables have basements ranging in size from 752 to 1,302 square feet of building area and four have finished basement areas ranging from 51% to 80%. Other features include central air conditioning and a garage ranging in size from 441 to 517 square feet of building area. Three comparables have a fireplace. The comparables had sale dates occurring from August 2014 to August 2015 for prices ranging from \$330,000 to \$371,000 or from \$125.71 to \$145.38 per square foot of living area, including land. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales for the Board's consideration. The Board gave less weight to the appellant's comparable sales #2 and #4, as well as the board of review's comparable sales #3 and #4, due to their sale dates occurring greater than 16 months prior to the January 1, 2016 assessment date at issue. The Board finds the best evidence of market value to be the appellant's comparable sales #1 and #3, as well as the board of review's comparable sales #1, #2 and #3. These comparables were most similar to the subject in location, style, size, age and features. These sales also occurred most proximate in time to the assessment date at issue. The best comparables sold from April to December 2015 for prices of \$327,000 to \$371,000 or from \$125.71 to \$145.38 per square foot of living area, including land. The subject's assessment reflects a market value of \$353,199 or \$126.05 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. The Board further finds that the subject's May 2016 purchase price of \$355,000 also supports the subject's 2016 assessment. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
