

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: 4H4RIL 2 IL
DOCKET NO.: 16-05954.001-R-1
PARCEL NO.: 01-09-412-027

The parties of record before the Property Tax Appeal Board are 4H4RIL 2 IL, the appellant, by attorney Michael R. Davies, of Ryan Law LLP in Chicago; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$18,040
IMPR.: \$55,090
TOTAL: \$73,130

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story townhouse of frame and masonry construction with 1,549 square feet of living area. The dwelling was constructed in 1998. Features of the home include a 758 square foot basement that is 56% finished, central air conditioning, a fireplace and a 408 square foot garage. The property is located in Bartlett, Wayne Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that sold from September 2015 to December 2016 for prices ranging from \$166,000 to \$210,000. The appellant provided little descriptive information about the purported comparable sales or the subject property for comparison. The appellant's submission included a list of 18 sales that sold from July 2016 to

February 2017 for prices ranging from \$105,000 to \$215,00.¹ The list included the four sales used on the appellant's comparable sales grid. The appellant requested the assessment be reduced to \$35,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$73,130. The subject's assessment reflects a market value of \$219,676 or \$141.82 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for DuPage County of 33.29% as determined by the Illinois Department of Revenue.

As to the appellant's comparable sales, the board of review argued that only one was located in Bartlett like the subject. In addition, comparable #1 is a dissimilar single-family dwelling.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located in Bartlett and within .17 of a mile from the subject property. The comparables were similar two-story townhomes of frame and masonry construction that range in size from 1,485 to 1,664 square feet of living area. The homes were built from 1997 to 2001. The comparables have basements ranging in size from 758 to 819 square feet of building area. Other features include a fireplace and a 408 or 420 square foot garage. Four comparables have central air conditioning. The comparables had sale dates occurring from October 2014 to February 2016 for prices ranging from \$210,000 to \$246,500 or from \$141.41 to \$153.20 per square foot of living area, including land. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine gridded comparable sales for the Board's consideration. The Board gave less weight to the appellant's comparables, due to their dissimilar locations or dissimilar dwelling style, when compared to the subject. The Board also gave less weight to the board of review's comparable sale #4, due to its sale date occurring greater than 14 months prior to the January 1, 2016 assessment date at issue. The Board finds the best evidence of market value to be the board of review's comparable sales #1, #2, #3 and #5. These comparables were most similar to the subject in location, style, size, age and features. These sales also occurred proximate in time to the assessment date at issue. The best comparables sold from May 2015 to January 2016 for prices ranging from \$210,000 to \$246,500 or from \$141.41 to \$153.20 per square foot of living area, including land. The subject's assessment reflects a market value of

¹ The appellant's list of 18 sales did not include specific information regarding the features of the comparables, that would be necessary for the Board to make a proper comparable analysis to the subject. Therefore, no further analysis will be done on the list.

\$219,676 or \$141.82 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
