

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: AMH 20142 Borrower LLC
DOCKET NO.: 16-05955.001-R-1
PARCEL NO.: 07-09-310-146

The parties of record before the Property Tax Appeal Board are AMH 20142 Borrower LLC, the appellant, by attorney Michael R. Davies, of Ryan Law LLP in Chicago; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$12,030
IMPR.: \$38,060
TOTAL: \$50,090

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story condominium dwelling of frame construction with 1,412 square feet of living area. The dwelling was constructed in 2000 and has a one-car garage. The property is located in Naperville, Naperville Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that sold from January 2014 to May 2015 for prices ranging from \$141,000 to \$150,000. The appellant provided little descriptive information about the purported comparable sales or the subject property for comparison. The appellant's submission included a list of 7 sales that sold from October 2012 to May 2015 for

prices ranging from \$123,500 to \$150,000.¹ The list included the four sales used on the appellant's comparable sales grid and revealed that the subject was purchased in August 2013 for \$98,000. The appellant requested the assessment be reduced to \$32,667.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$50,090. The subject's assessment reflects a market value of \$150,466 or \$106.56 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for DuPage County of 33.29% as determined by the Illinois Department of Revenue.

As to the appellant's comparable sales, the board of review argued that three of the four sales were of dissimilar one-story dwellings, unlike the subject's two-story style. In addition, the board of review disclosed that the subject's 2013 sale was between corporate affiliates.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located in the same neighborhood code as the subject property. The comparables were similar two-story condominiums of frame construction that contain 1,412 square feet of living area. The homes were built in 2000 or 2002 and have a one-car garage. The comparables had sale dates occurring from September 2015 to March 2016 for prices ranging from \$160,000 to \$164,000 or from \$113.31 to \$116.15 per square foot of living area, including land. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 10 gridded comparable sales for the Board's consideration. The Board gave less weight to the appellant's comparables #1, #2 and #4 due to their dissimilar one-story styles, when compared to the subject. In addition, these sales occurred greater than 17 months prior to the January 1, 2016 assessment date at issue. The Board also gave less weight to the subject's sale due to its sale date occurring greater than 29 months prior to the January 1, 2016 assessment date at issue. Furthermore, the record shows the sale was not an arm's-length transaction, as the sale was between corporate affiliates, which was not refuted by the appellant. The Board finds the best evidence of market value to be the appellant's comparable sale #3, as well as the board of review's comparable sales. These comparables were most similar to the subject in location, style, size, age and features. These sales also occurred proximate in time to the assessment date at issue. The best comparables sold from May 2015 to March 2016 for

¹ The appellant's list of 7 sales did not include specific information regarding the features of the comparables, that would be necessary for the Board to make a proper comparable analysis to the subject. Therefore, no further analysis will be done on the list.

prices ranging from \$149,500 to \$164,000 or from \$105.88 to \$116.15 per square foot of living area, including land. The subject's assessment reflects a market value of \$150,466 or \$106.56 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
