

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: AMH 2015 1 Borrower LLC
DOCKET NO.: 16-05966.001-R-1
PARCEL NO.: 07-20-313-024

The parties of record before the Property Tax Appeal Board are AMH 2015 1 Borrower LLC, the appellant, by attorney Michael R. Davies, of Ryan Law LLP in Chicago; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,600
IMPR.: \$27,990
TOTAL: \$37,590

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story condominium dwelling of frame and masonry construction with 1,538 square feet of living area. The dwelling was constructed in 1994 and has a one-car garage. The property is located in Aurora, Naperville Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted limited information on four sales that occurred from December 2012 to November 2015 for prices ranging from \$79,000 to \$103,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$37,590. The subject's assessment reflects a market value of \$112,917 or \$73.42 per square foot of living area, land included, when using the 2016 three-year

average median level of assessment for DuPage County of 33.29% as determined by the Illinois Department of Revenue.

Regarding the appellant's submission, the board of review argued that three of the four comparable sales were of dissimilar two-story style dwellings, when compared to the subject's one-story style. In addition, the board of review revealed that the subject property was purchased in a January 2014 court ordered sale for a price of \$95,500.

In support of its contention of the correct assessment the board of review submitted information on six comparable sales that were located within the subject's neighborhood code. The comparables were similar one-story condominium dwellings of frame and masonry construction containing 1,538 square feet of living area. The homes were built from 1995 to 1997. Five of the comparables have a fireplace and each has a one-car garage. The comparables had sale dates occurring from October 2013 to March 2016 for prices ranging from \$148,000 to \$175,000 or from \$96.23 to \$113.00 per square foot of living area, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 10 gridded comparable sales for the Board's consideration. The Board gave less weight to the appellant's comparables due to their dissimilar two-story styles and/or their sales occurring greater than 34 months prior to the January 1, 2016 assessment date at issue. The Board also gave less weight to the subject's sale due to its sale date occurring greater than 23 months prior to the January 1, 2016 assessment date at issue. The Board also gave less weight to the board of review's comparable sales #5 and #6 due to their sale dates occurring greater than 19 months prior to the assessment date at issue.

The Board finds the best evidence of market value to be the board of review's comparable sales #1 through #4. These comparables were most similar to the subject in location, style, size, age and features. These sales also occurred proximate in time to the assessment date at issue. The best comparables sold from August 2015 to March 2016 for prices ranging from \$163,000 to \$175,000 or from \$105.98 to \$113.78 per square foot of living area, including land. The subject's assessment reflects a market value of \$112,917 or \$73.42 per square foot of living area, including land, which falls below the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
