

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joseph Uram  
DOCKET NO.: 16-06321.001-R-1  
PARCEL NO.: 14-2-15-14-05-102-001

The parties of record before the Property Tax Appeal Board are Joseph Uram, the appellant; and the Madison County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Madison** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 33,360  
**IMPR.:** \$133,290  
**TOTAL:** \$166,650

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Madison County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year after notice of application of a township equalization factor. The Property Tax Appeal Board finds that it has limited jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one and one-half story dwelling of brick exterior construction that has 2,498 square feet of living area. The dwelling was constructed in 1991. Features of the home include a basement, central air conditioning, a fireplace and a two-car attached garage. The subject property has 1.07 acre site. The subject property is located in Edwardsville Township, Madison County, Illinois.

The appellant contends overvaluation and assessment inequity as the bases of the appeal. In support of these arguments, the appellant submitted sales and assessment information on four comparable properties located in close proximity to the subject. The comparables had varying degrees of similarity when compared to the subject in land area, design, age, dwelling size and features. Three of the comparable sold from April 2016 to April 2017 for prices ranging from \$380,000 to \$452,000 or from \$107.98 to \$157.79 per square foot of living area including land.

Comparable #2 was listed for sale at \$450,000 or \$231.84 per square foot of living area including land. The comparables have improvement assessments ranging from \$102,480 to \$188,040 or from \$37.51 to \$60.68 per square foot of living area. The appellant argued the comparables have assessments that reflect estimated market values that are considerably greater than their sale or listing prices, which further demonstrates the subject property is overvalued. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$121,153.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject property's final equalized assessment of \$176,250 was disclosed. The subject's assessment was increased from \$166,650 after application of the 2016 township equalization factor applied by the board of review of 1.0576. ( $166,650 \times 1.0576 = \$176,249$  or \$176,250, rounded). The subject's assessment reflects an estimated market value of \$529,597 or \$212.01 per square foot of living area including land when applying Madison County's 2016 three-year average median level of assessment of 33.28%. The subject property has an improvement assessment of \$140,970 or \$56.43 per square foot of living area. After reviewing the appellant's evidence, the board of review offered to reduce the subject's assessment by the amount of increase caused by the application of the equalization factor or an assessment of \$166,650.

The appellant was notified of this suggested assessment and given thirty (30) days to respond if the offer was not acceptable. The appellant responded to the Property Tax Appeal Board by the established deadline rejecting the proposed assessment.

### **Conclusion of Law**

Based upon the evidence submitted by the appellant, the Board finds a reduction in the subject's assessment is supported. However, the record indicates that the appellant did not file a complaint with the board of review but appealed the subject's assessment directly to the Property Tax Appeal Board after notice of application of a township equalization factor applied by the board of review. Since the appeal was filed after notification of an equalization factor, the amount of relief that the Property Tax Appeal Board may grant is limited. Section 1910.60(a) of the rules of the Property Tax Appeal Board states in part:

If the taxpayer or owner of property files a petition within 30 days after the postmark date of the written notice of the application of final, adopted township equalization factors, the relief the Property Tax Appeal Board may grant is limited to the amount of the increase caused by the application of the township equalization factor. 86 Ill.Admin.Code §1910.60(a).

Additionally, section 16-180 of the Property Tax Code (35 ILCS 200/16-180) provides in pertinent part:

Where no complaint has been made to the board of review of the county where the property is located and the appeal is based solely on the effect of an equalization factor assigned to all property or to a class of property by the board of review, the Property Tax Appeal Board may not grant a reduction in the assessment greater than the amount that was added as the result of the equalization factor. (35 ILCS 200/16-180).

These provisions mean that when a taxpayer files an appeal directly to the Property Tax Appeal Board after notice of application of an equalization factor, the Board cannot grant an assessment reduction greater than the amount of increase caused by the equalization factor. Villa Retirement Apartments, Inc. v. Property Tax Appeal Board, 302 Ill.App.3d 745, 753 (4<sup>th</sup> Dist. 1999). Based on a review of the evidence contained in the record, the Property Tax Appeal Board finds a reduction in the assessment of the subject property is supported. However, the reduction is limited to the increase in the assessment caused by the application of the equalization factor.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
