

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John A. & Christena Haycraft
DOCKET NO.: 16-06403.001-R-1
PARCEL NO.: 13-35.0-157-001

The parties of record before the Property Tax Appeal Board are John A. & Christena Haycraft, the appellants, and the Sangamon County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Sangamon** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,036
IMPR.: \$80,630
TOTAL: \$96,666

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Sangamon County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story single-family dwelling of frame exterior construction that was built in 2009. Features of the home include a crawl-space foundation, central air conditioning, a fireplace and an attached two-car garage. The property is located in Springfield, Gardner Township, Sangamon County.

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. In support of this overvaluation argument, the appellants submitted an appraisal of the subject property with an estimated market value of \$276,000 as of January 27, 2012 along with assessing official print outs of appraisal comparable sales #1 through #3 where current estimated market values based upon their assessments were highlighted. Those properties reflect estimated market values ranging from \$273,750 to \$290,223.

The evidence further revealed that the appellants filed the appeal directly to the Property Tax Appeal Board following receipt of the notice of a township equalization factor issued by the board of review on April 9, 2017 which increased the subject's assessment from \$96,666 to \$100,532. The Notice states that the equalized assessment reflects a market value of approximately \$301,596.

Based on the foregoing evidence, the appellants requested the subject's total assessment be reduced to \$96,666 which would reflect the subject's pre-equalized assessment and a market value of approximately \$290,000.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property. Thus, the Sangamon County Board of Review was found to be in default on May 3, 2018, pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. (86 Ill.Admin.Code §1910.69(a))

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3rd Dist. 2002). Proof of market value may consist of an appraisal, a recent arm's length sale of the subject property, recent sales of comparable properties, or recent construction costs of the subject property. (86 Ill.Admin.Code 1910.65(c)). The Board finds the appellants met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value in the record is the appellants' appraisal. The Board finds the subject's assessment reflects a market value greater than the appraised value. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellants' argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. (86 Ill.Admin.Code §1910.40(a) & 1910.69(a)).

The Property Tax Appeal Board has examined the information submitted by the appellants and finds that, in the absence of any contradictory evidence, it supports a reduction in the assessed valuation of the subject property. However, the record also indicates that the appellants appealed the assessment directly to the Property Tax Appeal Board based on notice of a township equalization factor issued by the board of review. Since the appeal was filed after notification of an equalization factor, the amount of relief that the Property Tax Appeal Board may grant is limited.

Section 1910.60(a) of the rules of the Property Tax Appeal Board states in part:

If the taxpayer or owner of property files a petition within 30 days after the postmark date of the written notice of the application of final, adopted township equalization factors, the relief the Property Tax Appeal Board may grant is

limited to the amount of the increase caused by the application of the township equalization factor. 86 Ill.Admin.Code §1910.60(a).

Additionally, section 16-180 of the Property Tax Code (35 ILCS 200/16-180) provides in pertinent part:

Where no complaint has been made to the board of review of the county where the property is located and the appeal is based solely on the effect of an equalization factor assigned to all property or to a class of property by the board of review, the Property Tax Appeal Board may not grant a reduction in the assessment greater than the amount that was added as the result of the equalization factor.

These provisions mean that where a taxpayer files an appeal directly to the Property Tax Appeal Board after notice of application of an equalization factor, the Board cannot grant an assessment reduction greater than the amount of increase caused by the equalization factor. Villa Retirement Apartments, Inc. v. Property Tax Appeal Board, 302 Ill.App.3d 745, 753 (4th Dist. 1999). Based on a review of the evidence contained in the record, the Property Tax Appeal Board finds a reduction in the assessment of the subject property commensurate with the appellants' request is supported based on overvaluation. This reduction is limited to the increase in the assessment caused by the application of the equalization factor.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
