

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: JSB Holdings Inc.
DOCKET NO.: 16-06854.001-C-1
PARCEL NO.: 21-01.0-431-005

The parties of record before the Property Tax Appeal Board are JSB Holdings Inc., the appellant, by Clark R. Mills, of Mills Law Office, in Springfield, and the Sangamon County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Sangamon** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$63,781
IMPR.: \$108,367
TOTAL: \$172,148

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Sangamon County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story commercial office building of wood frame with veneered wall construction with 6,502 square feet of building area. The structure was built in 1989 and features a crawl-space foundation. The property has a 27,075-square foot site which is located in Springfield, Capital Township, Sangamon County.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on six equity comparables improved with one-story office buildings of brick or brick veneer construction that range in size from 6,400 to 10,580 square feet of building area. The buildings range in age from 22 to 27 years old. The appellant provided an aerial map depicting the location of the comparables in relation to the subject property. The comparables have improvement assessments ranging from \$98,935 to \$198,968 or from \$15.46 to \$18.81 per square foot of building area. The appellant provided a

copy of the decision issued by the board of review disclosing the subject property had a total assessment of \$310,027 and an improvement assessment of \$146,246 or \$22.49 per square foot of building area. The appellant requested the subject's improvement assessment be reduced to \$108,367 or \$16.67 per square foot of building area.

The board of review did not submit its "Board of Review Notes on Appeal" nor any evidence in support of its assessed valuation of the subject property.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of assessment equity to be appellant's comparables. These comparables have improvement assessments that ranged from \$15.46 to \$18.81 per square foot of building area. The subject's improvement assessment of \$22.49 per square foot of building area falls above the range established by the appellant's comparables. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40 (a) & §1910.69(a). Based on this record the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment commensurate with the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
