

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Shari Rowe  
DOCKET NO.: 16-06870.001-R-1  
PARCEL NO.: 21-26.0-252-008

The parties of record before the Property Tax Appeal Board are Shari Rowe, the appellant, and the Sangamon County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Sangamon** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$19,570  
**IMPR.:** \$104,827  
**TOTAL:** \$124,397

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Sangamon County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story, single-family dwelling of frame exterior construction with 2,185 square feet of living area. The dwelling was constructed in 2009. Features of the home include a full basement with finished area, central air conditioning, a fireplace and a three-car garage. The property has a 19,687-square foot site and is located in Springfield, Capital Township, Sangamon County.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. In support of this overvaluation argument, the appellant submitted an appraisal estimating the subject property had a market value of \$370,000 as of April 6, 2017. The appellant also submitted a copy of the final decision issued by the Sangamon County Board of Review establishing a total equalized assessment for the subject of \$125,902, which reflects a market value of approximately \$377,706 as set forth on the notice.

The evidence further revealed that the appellant filed the appeal directly to the Property Tax Appeal Board following receipt of the notice of an equalization factor of 1.0121 increasing the subject's assessment from \$124,397 to \$125,902. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$124,397.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property. Thus, the Sangamon County Board of Review was found to be in default on February 8, 2011, pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. (86 Ill.Admin.Code §1910.69(a))

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3<sup>rd</sup> Dist. 2002). Proof of market value may consist of an appraisal, a recent arm's length sale of the subject property, recent sales of comparable properties, or recent construction costs of the subject property. (86 Ill.Admin.Code 1910.65(c)). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best and only evidence of market value in the record is the appraisal submitted by the appellant estimating the subject property had a market value of \$370,000 as of April 6, 2017. The Board finds the subject's assessment reflects a market value greater than the appraised value presented by the appellant. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board as set forth in a letter dated May 3, 2018.

Based on this record the Property Tax Appeal Board finds the subject property had a market value of \$370,000. The Property Tax Appeal Board has examined the information submitted by the appellant and finds that it supports a reduction in the assessed valuation of the subject property to reflect removal of the equalization factor.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
