

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: LeAnn G. Fermon
DOCKET NO.: 16-06910.001-R-1
PARCEL NO.: 04-26.0-300-025

The parties of record before the Property Tax Appeal Board are LeAnn G. Fermon, the appellant; and the Sangamon County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Sangamon** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$19,993
IMPR.: \$69,662
TOTAL: \$89,655

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Sangamon County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a one-story dwelling of frame construction with approximately 2,414 square feet of above grade living area. The dwelling was constructed in 1974. Features of the property include a partial basement with finished living area, central air conditioning, two fireplaces, an attached two-car garage, and a detached garage with approximately 1,500 square feet of building area. The property has a 5.51 acre site and is located in Pleasant Plains, Cartwright Township, Sangamon County.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on September 15, 2015, for a price of \$200,000. The appellant indicated the property was purchased from April Black and the parties were not related. The appellant further disclosed the property was sold through a Realtor, was advertised in the Multiple Listing Service (MLS), and was on the market for 10 months. To document the transaction the appellant submitted a copy of the settlement statement, a copy of

the contract to purchase for residential real estate, a copy of the MLS listing for the subject property and a copy of the PTAX-203 Illinois Real Estate Transfer Declaration.

The appellant also submitted a copy of the 2016 assessment notice from the Sangamon County Board of Review disclosing the subject's assessment was increased from \$89,655 to \$91,260 by the application of a township equalization factor of 1.0179. The subject's equalized assessment reflects a market value of approximately \$273,780. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review did not submit its "Board of Review Notes on Appeal" nor any evidence in support of its assessed valuation of the subject property.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be the purchase of the subject property in September 2015 for a price of \$200,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related, the property was sold using a Realtor, the property had been advertised on the open market with the Multiple Listing Service and it had been on the market for 10 months. In further support of the transaction the appellant submitted a copy of the sales contract, settlement statement, the PTAX-203 Illinois Real Estate Transfer Declaration and listing. The Board finds the purchase price is below the market value reflected by the assessment. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40 (a) & §1910.69(a).

The Board finds, however, the record indicates that the appellant appealed the assessment directly to the Property Tax Appeal Board based on notice of an equalization factor. Since the appeal was filed after notification of an equalization factor, the amount of relief that the Property Tax Appeal Board may grant is limited. Section 1910.60(a) of the rules of the Property Tax Appeal Board states in part:

If the taxpayer or owner of property files a petition within 30 days after the postmark date of the written notice of the application of final, adopted township equalization factors, the relief the Property Tax Appeal Board may grant is limited to the amount of the increase caused by the application of the township equalization factor. 86 Ill.Admin.Code §1910.60(a).

Additionally, section 16-180 of the Property Tax Code (35 ILCS 200/16-180) provides in pertinent part:

Where no complaint has been made to the board of review of the county where the property is located and the appeal is based solely on the effect of an equalization factor assigned to all property or to a class of property by the board of review, the Property Tax Appeal Board may not grant a reduction in the assessment greater than the amount that was added as the result of the equalization factor.

These provisions mean that where a taxpayer files an appeal directly to the Property Tax Appeal Board after notice of application of an equalization factor, the Board cannot grant an assessment reduction greater than the amount of increase caused by the equalization factor. Villa Retirement Apartments, Inc. v. Property Tax Appeal Board, 302 Ill.App.3d 745, 753 (4th Dist. 1999). Based on a review of the evidence contained in the record, the Property Tax Appeal Board finds a reduction in the assessment of the subject property is supported. However, the reduction is limited to the increase in the assessment caused by the application of the equalization factor.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
