

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Katie Mailey
DOCKET NO.: 16-06971.001-R-1
PARCEL NO.: 22-05.0-126-020

The parties of record before the Property Tax Appeal Board are Katie Mailey, the appellant; and the Sangamon County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Sangamon** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 27,510
IMPR.: \$248,137
TOTAL: \$275,647

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Sangamon County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year after notice of application of a township equalization factor. The Property Tax Appeal Board finds that it has limited jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a residential property located in Capital Township, Sangamon County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant completed Section IV of the Residential Appeal petition and submitted a copy of the settlement statement associated with the sale of the subject property. The settlement statement shows the subject property was purchased in November 2016 for \$750,000. The appeal petition indicates the sale did not involve family or related corporations and the property was advertised for sale through the Multiple Listing Service for 1.5 to 2 years.

The final decision issued by the Sangamon County Board of Review after notice of application of a township equalization factor shows the subject property had a final assessment of \$278,982,

which reflects an estimated market value of \$837,281 when applying the Sangamon County's 2016 three-year average median level of assessment of 33.32% as determined by the Illinois Department of Revenue. Based on this evidence, the appellant requested removal of the township equalization factor or a total assessment of \$275,647.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a). Therefore, the board of review was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.69(a).

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant has met this burden of proof and a reduction in the subject's assessment is warranted.

The appellant in this appeal submitted evidence pertaining to the sale of the subject property in November 2016 for \$750,000. The appellant further demonstrated the subject's sale had the elements of an arm's-length transaction. The subject's final assessment of \$278,982 reflects an estimated market value of \$837,281, considerably more than the subject's recent arm's-length sale price. The board of review did not timely submit evidence in support of its assessment of the subject property or refute the evidence submitted by the appellant as required by section 1910.40(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a). Therefore, the board of review was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.69(a). The Board has examined the information submitted by the appellant and finds a reduction in the assessed valuation of the subject property is warranted commensurate with the appellant's assessment request.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
