

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Hetzler
DOCKET NO.: 16-07427.001-R-1
PARCEL NO.: 21-14-12-308-061-0000

The parties of record before the Property Tax Appeal Board are David Hetzler, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **a reduction** in the assessment of the property as established by the **Will County Board of Review** is warranted. The correct assessed valuation of the property is:

LAND: \$1,580
IMPR.: \$16,713
TOTAL: \$18,293

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story townhome of frame construction with 1,567 square feet of living area. The dwelling was constructed in 1973. Features of the home include a full unfinished 853 square foot basement and central air conditioning. The property has a 2,231 square foot site and is located in University Park, Monee Township, Will County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on eight comparable sales that were located from .19 to .30 of a mile from the subject property. The comparables were two-story dwellings that contained 1,632 or 1,480 square feet of living area. The comparables had features with varying degrees of similarity to the subject. The comparables sold from February 2015 to November 2016 for prices ranging from \$18,950 to \$45,000 or from \$12.80 to \$30.41 per square foot of living area, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$23,714. The subject's assessment reflects a market value of \$71,299 or \$45.50 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for Will County of 33.26% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales, two of which were located on the same street as the subject property. The comparables were two-story dwellings that contained 1,567 or 1,625 square feet of living area. The comparables had features with varying degrees of similarity to the subject. The comparables sold from March 2015 to September 2016 for prices ranging from \$45,000 to \$84,500 or from \$28.72 to \$52.00 per square foot of living area, including land.

The appellant submitted rebuttal critiquing the board of review's submission.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the board of review's comparable sales #1 and #2. These comparables were nearly identical to the subject, except for being one year older. These comparables also sold proximate in time to the January 1, 2016 assessment date at issue. These most similar comparables sold in May 2015 or September 2016 for prices of \$62,200 or \$45,000 or \$39.69 or \$28.72 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$71,299 or \$45.50 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. The Board gave less weight to the parties' remaining comparable sales due to their differences in location and/or features when compared to the subject. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
