

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Narasimha Saladi
DOCKET NO.: 16-20167.001-R-1
PARCEL NO.: 04-01-408-007-0000

The parties of record before the Property Tax Appeal Board are Narasimha Saladi, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$20,229
IMPR.: \$91,137
TOTAL: \$111,366

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling with 4,035 square feet of living area of masonry construction. The dwelling is 10 years old. Features of the home include a full basement, central air conditioning, two fireplaces and a two and one-half-car garage. The property has a 17,591 square foot site and is located in New Trier Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$1,100,000 as of January 1, 2016. The appellant requested an assessment of 10% of the appraised value.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$133,494. The subject's assessment reflects a market value of \$1,334,940 or \$330.84 per square foot of living area, including land, when applying the 2016 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%. In support of its contention of the correct assessment the board of review submitted information on four comparable sales.

At hearing, the appellant presented an appraisal. The board of review's representative objected to the appraisal as the appraiser was not present to testify. The Administrative Law Judge sustained the objection and stated the appraiser's comparable sales would be considered; however, the appraiser's adjustments to the comparables and conclusion of value would not be considered as they are hearsay.

The board of review's representative presented her comparable sales and stated comparable #3 is located on the subject's block. The appellant stated that the board of review's comparable properties and the comparable properties found in the appraisal are located on less busy streets and that the appraisal's comparable #2 is the property that is the most similar to the subject property.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appellant's unadjusted comparables #1, #2, and #3. These comparables range in sale price from \$275.30 to \$278.22 per square foot of living area, including land. The subject's assessment reflects a market value of \$330.84 per square foot of living area, including land, which is above the range of these properties. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
