

FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Jonathan Lanfear
DOCKET NO.: 16-20463.001-R-1
PARCEL NO.: 05-21-124-009-0000

The parties of record before the Property Tax Appeal Board are Jonathan Lanfear, the appellant, by attorney Spiro Zarkos, of Verros Berkshire in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$15,863
IMPR.:	\$83,260
TOTAL:	\$99,123

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 2,974 square feet of living area. The dwelling is 108 years old. Features of the home include a full unfinished basement and a fireplace. The property has an 8,135 square foot site and is located in Winnetka, New Trier Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends improvement assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables that are located within the same neighborhood code as the subject. The comparables are two-story dwellings of frame, stucco, or frame and masonry exterior construction containing from 2,626 to 3,255 square foot of living area. The dwellings range in age from 95 to 128 years old and have partial or full unfinished basements. Two comparables have central air conditioning, three comparables have a

fireplace, and three comparables have a one-car or a two-car garage. The comparables have improvement assessments ranging from \$63,746 to \$78,200 or from \$23.04 to \$24.27 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$70,969 or \$23.86 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$99,123. The subject property has an improvement assessment of \$83,260 or \$28.00 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located within the same neighborhood code as the subject property. The comparables are two-story dwellings of frame exterior construction containing from 2,760 to 3,024 square foot of living area. The dwellings range in age from 98 to 114 years old and have partial or full basements, two of which have finished areas. Three comparables have central air conditioning. Each comparable has one or two fireplaces and a 2-car, a 2.5-car or a 3-car garage. The comparables have improvement assessments ranging from \$82,945 to \$121,032 or from \$29.95 to \$40.02 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested comparables for the Board's consideration. The Board gave less weight to the board of review comparable #3 as it appears to be an outlier in comparison to the other comparables in this record with its significantly higher total improvement assessment.

The Board finds the appellant's comparables as well as the board of review comparables #1, #2 and #4 are most similar to the subject in location, design, age, dwelling size, and some features. These comparables have improvement assessments ranging from \$63,746 to \$100,673 or from \$23.04 to \$33.31 per square foot of living area. The subject's improvement assessment of \$83,260 or \$28.00 per square foot of living area falls within the range established by the most similar comparables contained in this record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

The constitutional provision for uniformity of taxation and valuation does not require mathematical equality. A practical uniformity, rather than an absolute one, is the test. Apex Motor Fuel Co. v. Barrett, 20 Ill.2d 395 (1960). Although the comparables presented by the

parties disclosed that the properties located in the same area are not assessed at identical levels, all that the constitution requires is a practical uniformity, which exists on the basis of the evidence.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
