

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Edward Schroeder
DOCKET NO.: 16-20583.001-R-1
PARCEL NO.: 16-05-311-016-0000

The parties of record before the Property Tax Appeal Board are Edward Schroeder, the appellant, by attorney John S. Xydakis, of the Law Offices of John S. Xydakis in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,541
IMPR.: \$16,720
TOTAL: \$20,261

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a 1.5-story dwelling of masonry construction. The dwelling is 98 years old and contains 1,411 square feet of living area. Features include a full basement, fireplace and a 2-car garage. The subject is in Oak Park, Oak Park Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends the assessment of the subject property is inequitable. In support of this argument the appellant submitted four equity comparables that were reported to range in size from 1,564 to 1,734 square feet of living area and range in age from 89 to 100 years old. The comparables had features with varying degrees of similarity when compared to the subject. The comparables' improvement assessments range from \$16,052 to \$23,236 or from \$9.81 to \$13.40 per square foot of living area. The subject property has an improvement assessment of \$19,063

or \$13.51 per square foot of living area. Based on the evidence submitted, the appellant requested that the subject's improvement assessment be reduced to \$16,720 or \$11.85 per square foot of living area.

The board of review did not timely submit its "Board of Review Notes on Appeal" or timely submit any evidence in support of its assessed valuation of the subject property.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). The evidence must demonstrate a consistent pattern of assessment inequities within the assessment jurisdiction. The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The appellant submitted four equity comparables with improvement assessments ranging from \$16,052 to \$23,236 or from \$9.81 to \$13.40 per square foot of living area. The subject property has an improvement assessment of \$19,063 or \$13.51 per square foot of living area which is above the range established by these comparables on a per square foot basis. The board of review did not timely submit any evidence in support of its assessment of the subject property or to refute the evidence submitted by the appellant as required by Section 1910.40(a) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.40(a)) and was found to be in default by a letter dated October 25, 2018. The Board has examined the information submitted by the appellant and finds a reduction in the assessed valuation of the subject property is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
