

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jose Munoz
DOCKET NO.: 16-20874.001-R-1
PARCEL NO.: 05-17-300-014-0000

The parties of record before the Property Tax Appeal Board are Jose Munoz, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$45,358
IMPR.: \$90,757
TOTAL: \$136,115

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a 2-story masonry dwelling containing 3,862 square feet of living area. The dwelling is 90 years old and features a partial unfinished basement, central air conditioning, a fireplace and a 2½-car garage. The subject is located in Winnetka, New Trier Township, Cook County. It is classified as a Class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four, 2-story, Class 2-06 comparables. The appellant did not report the proximity of the comparables to the subject but disclosed they have the same neighborhood code as the subject. The comparables range in age from 91 to 106 years old and range in size from 3,862 to 4,118 square feet of living area. Three comparables feature unfinished basements and one is on a slab foundation. The comparables have 1 to 3 fireplaces

each and 2 or 3-car garages. Three comparables have central air conditioning. The comparables have improvement assessments ranging from \$86,386 to \$97,255 or from \$21.88 to \$23.77 per square foot of living area. The appellant's attorney submitted a brief requesting the subject's total assessment be reduced to \$134,300. Based on this evidence the appellant requested the subject's 2016 improvement assessment be reduced to \$88,942 or \$23.03 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$141,973. The subject property has an improvement assessment of \$96,615 or \$25.02 per square foot of living area.

In support of the assessment the board of review submitted information on three, 2-story, Class 2-06 comparables having the same neighborhood code as the subject and located in the same tax block as the subject. The comparables are 87 or 91 years old and range in size from 3,862 to 4,118 square feet of living area. They feature basements, two with finished area, one fireplace each and 2-car garages. Two comparables have central air conditioning. The comparables have improvement assessments ranging from \$96,774 to \$128,787 or from \$23.50 to \$32.10 per square foot of living area. Board of review comparable #1 is the same property as appellant's comparable #3. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted a total of six comparables for the Board's consideration as one comparable was submitted by both parties. The Board gives less weight to board of review comparables #2 and #3 due to their dissimilar finished basements as compared to the subject's unfinished basement. The Board also gives less weight to appellant's comparable #4 due to its dissimilar slab foundation as compared to the subject's unfinished basement. The Board finds appellant's comparables #1, #2 and #3 and board of review comparable #1 are most similar to the subject in location, age, style, dwelling size and most features. These comparables have improvement assessments ranging from \$86,386 to \$96,774 or from \$21.88 to \$23.50 per square foot of living area. The subject property has an improvement assessment of \$96,615 or \$25.02 per square foot of living area which is greater than the range established by the most similar comparables in the record on a per square foot basis. After considering adjustments to the comparables for differences to the subject, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's improvement assessment based on inequity is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
