

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jeff Riemer
DOCKET NO.: 16-21005.001-R-1
PARCEL NO.: 05-27-415-012-0000

The parties of record before the Property Tax Appeal Board are Jeff Riemer, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$27,750
IMPR.: \$93,349
TOTAL: \$121,099

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a 2-story masonry dwelling containing 3,655 square feet of living area. The dwelling is 94 years old and features a full unfinished basement, a fireplace and a 2-car garage. The subject is located in Wilmette, New Trier Township, Cook County. The subject property is classified as a Class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on three, 2-story, Class 2-06 dwellings. The appellant did not report the proximity of the comparables to the subject but disclosed they have the same neighborhood code as the subject. One comparable is on the same street as the subject. The comparables range in size from 3,666 to 4,080 square feet of living area and range in age from 103 to 110 years old. The comparables have basements, one with finished area, 1 or 2

fireplaces and 2 or 3½-car garages. One comparable has central air conditioning. The comparables have improvement assessments ranging from \$94,605 to \$103,293 or from \$25.32 to \$25.81 per square foot of living area. The appellant's attorney submitted a brief requesting the subject's total assessment be reduced to \$121,099. Based on this evidence the appellant requested the subject's 2016 improvement assessment be reduced to \$93,349 or \$25.54 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$134,220. The subject property has an improvement assessment of \$106,470 or \$29.13 per square foot of living area.

In support of the subject's assessment, the board of review submitted information on four, 2-story, Class 2-06 dwellings. The comparables have the the same neighborhood code as the subject with two comparables located on the same street as the subject. The dwellings are either 91 or 95 years old and range in size from 3,330 to 3,876 square feet of living area. The comparables have full finished basements, central air conditioning and 1 to 3 fireplaces each. Three comparables have 2 or 2½-car garages. The comparables have improvement assessments ranging from \$103,230 to \$124,512 or from \$29.67 to \$33.98 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven assessment comparables for the Board's consideration. The Board gives less weight to the board of review comparables and to appellant's comparable #1 due to their superior finished basements as compared to the subject's unfinished basement, In addition, these comparables have central air conditioning which the subject lacks. The Board finds appellant's comparables #2 and #3 are most similar to the subject in location, style, exterior construction, age, dwelling size and features. These comparables have improvement assessments of \$101,107 and \$94,605 or \$25.50 and \$25.81 per square foot of living area, respectively. The subject property has an improvement assessment of \$106,470 or \$29.13 per square foot of living area which is greater than the most similar comparables in the record on both an overall basis as well as a per square foot basis. After considering adjustments to these comparables for differences to the subject, the Board finds the subject's assessment is not supported by the improvement assessments of the best comparables in this record. Thus, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's improvement assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
