

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Elisabeth Lewis  
DOCKET NO.: 16-21337.001-R-1 through 16-21337.002-R-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Elisabeth Lewis, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

<b>DOCKET NO</b>	<b>PARCEL NUMBER</b>	<b>LAND</b>	<b>IMPRVMT</b>	<b>TOTAL</b>
16-21337.001-R-1	05-17-310-013-0000	15,479	42,984	\$58,463
16-21337.002-R-1	05-17-310-014-0000	19,349	64,477	\$83,826

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of two parcels, 05-17-310-013-0000 and 05-17-310-014-0000. The parcels are improved with a 2-story stucco dwelling containing 4,650 square feet of living area. The dwelling is 86 years old and features a partial unfinished basement, central air conditioning, 2 fireplaces and a 2-car garage. The subject is located in Winnetka, New Trier Township, Cook County. It is classified as a Class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on three, 2-story, Class 2-06 comparables. The comparables have the same neighborhood code as the subject. They range in age from 110 to 114 years old and range in size from 4,212 to 4,921 square feet of living area. The comparables feature unfinished basements, fireplaces, and 2 or 2½-car garages. Two comparables feature

central air conditioning. The comparables have improvement assessments ranging from \$136,596 to \$154,477 or from \$21.88 to \$23.26 per square foot of living area. The appellant's attorney submitted an Addendum to Petition disclosing the board of review improvement assessments for each parcel. Parcel 310-013 has an improvement assessment of \$42,984 and a total assessment of \$58,463. Parcel 310-014 has an improvement assessment of \$64,477 and a total assessment of \$83,826. The subject has a combined improvement assessment for both parcels of \$107,461 and a combined total assessment for both parcels of \$142,289. The appellant's attorney also submitted a brief requesting the subject's total combined assessment for both parcels be reduced to \$124,904. The appellant also submitted the 2016 decision from the Cook County Board of Review disclosing the total assessments for each of the two parcels at issue. Based on this evidence the appellant requested the subject's improvement assessment for parcel 310-013 be reduced to \$35,732 and the improvement assessment for parcel 310-014 be reduced to \$54,344. These reductions would result in a combined improvement assessment for both parcels of \$90,076 or \$19.37 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the combined improvement assessments for both parcels of \$107,461. The board of review did not disclose the individual improvement assessments for each parcel.

In support of the assessment the board of review submitted information on four, 2-story, Class 2-06 comparables having the same neighborhood code as the subject. The comparables range in age from 94 to 106 years old and range in size from 3,837 to 4,585 square feet of living area. They feature basements, three with finished areas, central air conditioning, 1 or 2 fireplaces and 1, 2 or 2½-car garages. The comparables have improvement assessments ranging from \$108,481 to \$118,944 or from \$23.66 to \$29.95 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparables for the Board's consideration. The Board gives equal weight to both parties' comparables which have varying degrees of similarity to the subject in location, age, style, dwelling size and features. These comparables have improvement assessments ranging from \$97,966 to \$118,944 or from \$21.88 to \$29.95 per square foot of living area. The appellant disclosed the combined improvement assessment for both parcels of \$107,461 or \$23.11 per square foot of living area which is within the range established by the comparables in the record. After considering adjustments to the comparables for differences to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence

that the subject's improvement was inequitably assessed and a reduction in the subject's improvement assessment based on inequity is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
