

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rita Patel  
DOCKET NO.: 16-21665.001-R-1  
PARCEL NO.: 01-22-105-001-0000

The parties of record before the Property Tax Appeal Board are Rita Patel, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$15,764  
**IMPR.:** \$117,601  
**TOTAL:** \$133,365

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of living area of masonry construction. The dwelling is 13 years old. Features of the home include a full basement, central air conditioning, five fireplaces and a four-car garage. The property has a 57,325 square foot site and is located in Barrington Township, Cook County. The subject is classified as a class 2-09 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal. The appraisal indicates the subject's market value is \$1,025,000 as of January 1, 2016. The appraisal indicates the subject contains 7,094 square feet of living area. The appellant requested an assessment of 10% of the appraised value.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$133,365. The subject's assessment reflects a market value of

\$1,333,650, or \$167.84 per square foot of living area, including land, when applying the 2016 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%. The board of review's evidence indicates the subject contains 7,946 square feet of living area.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales.

At hearing, the appellant described the subject property and stated the subject was previously uninhabitable and in need of a lot of repairs. The board of review's representative objected to the appraisal as the appraiser was not present to testify. The Administrative Law Judge ("ALJ") sustained the objection as the appraiser was not present to testify; however, the unadjusted sale comparables listed in the appraisal would be considered.

The board of review's representative presented four comparable sales. The appellant differentiated the board of review's comparables by stating comparable: #1 has an indoor pool; #2 is waterfront property; #3 is located two miles from the subject property; and, #4 is located in the city of Inverness.

### **Conclusion of Law**

Initially, the Board finds the subject contains 7,946 square feet of living area which is the square footage submitted by the board of review. The Board is unable to reduce the subject's square footage based on the appraisal as the appraiser was not present at the hearing to testify as to the methodology used to measure the dwelling.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the appellant's comparable sales #2 and #3 and the board of review's comparable sale #3. These comparables sold for prices ranging from \$151.72 to \$283.38 per square foot of living area, including land. The subject's assessment reflects a market value of \$167.84 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
