

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Trust 8002365866
DOCKET NO.: 16-22379.001-R-1
PARCEL NO.: 05-07-208-014-0000

The parties of record before the Property Tax Appeal Board are Trust 8002365866, the appellant(s), by attorney Joanne Elliott, of Elliott & Associates, P.C. in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$51,876
IMPR.: \$162,624
TOTAL: \$214,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story, single family dwelling of masonry construction with 6,122 square feet of living area. The dwelling was constructed in 2003. Features of the subject include a full unfinished basement, three fireplaces, a three-car garage and six and one-half bathrooms. The property has a 28,820 square foot site and is located in Glencoe, New Trier Township, Cook County. The subject is classified as class 2 property by the Cook County Real Property Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$2,145,000 as of January 1, 2016.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$242,025. The subject's assessment reflects a market value of \$2,420,250 or \$395.34 per square foot of living area, land included, when using the 10% level of assessment for class 2 properties as determined by the Cook County Real Property Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted four sale comparables and four equity comparables. The board of review submitted a brief stating that the appellant's evidence/appraisal was not timely filed.

In rebuttal, the appellant's attorney argued that the board of review's equity comparable evidence did not address the market value argument and that the sale comparables are raw and unconfirmed data. The appellant's attorney also outlined the timelines regarding their evidence filings.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds that the appraisal was timely filed. Per the Board's letter dated June 15, 2019, the appellant was granted until September 13, 2019 to submit evidence. The appellant submitted the evidence/appraisal which was postmarked on September 12, 2019.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value of \$2,420,250 which is above the best evidence of market value in the record. The Board finds the subject property had a market value of \$2,145,000 as of the assessment date at issue. Since, market value has been established, the 10% level of assessment as determined by the Cook County Real Property Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
