

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gregory White
DOCKET NO.: 16-22587.001-R-1
PARCEL NO.: 05-07-112-003-0000

The parties of record before the Property Tax Appeal Board are Gregory White, the appellant, by attorney Abby L. Strauss of Schiller Strauss & Lavin PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$12,000
IMPR.: \$83,650
TOTAL: \$95,650

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a two-story dwelling of masonry construction with 3,000 square feet of living area. The dwelling is approximately 9 years old. Features of the home include a partial basement finished with a recreation room, central air conditioning, three fireplaces and a two-car detached garage. The property has an 8,000 square foot site and is located in Glencoe, New Trier Township, Cook County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables. The comparables are improved with two-story dwellings of masonry or frame exterior construction that range in size from 3,045 to 3,483 square feet of living area. The dwellings are from 12 to 22 years old with similar features as the subject property. These properties have improvement assessments ranging from \$83,649 to \$92,203 or from \$24.02 to

\$27.89 per square foot of living area. The appellant submitted a copy of the final decision of the board of review disclosing the property has a total assessment of \$100,350 and an improvement assessment of \$88,350 or \$29.45 per square foot of living area. The appellant requested the subject's improvement assessment be reduced to \$78,420.

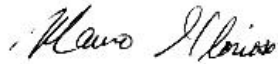

The board of review did not submit its "Board of Review Notes on Appeal" nor any evidence in support of its assessed valuation of the subject property.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of assessment equity to be the appellant's comparables. These comparables had improvement assessments that ranged from \$24.02 to \$27.89 per square foot of living area. The subject's improvement assessment of \$29.45 per square foot of living area falls above the range established by the only comparables in this record. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a) & §1910.69(a). The Board has examined the evidence submitted by the appellant and finds that a reduction in the assessed valuation of the subject property is appropriate on this record.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
