The parties of record before the Property Tax Appeal Board are 7514-16 N Damen Condo Ass'n, the appellant(s), by attorney William J. Seitz, of the Law Offices of William J. Seitz, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a six-unit, three-story, 92-year-old condominium building of masonry construction. The property has a 5,686 square foot site located in Rogers Park Township, Cook County. The property is a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal for one of the units in the subject building, identified by Permanent Index Number ("PIN") 11-30-310-035-1002. The appraisal indicates "PIN" 1002 has

a market value of \$222,000 as of January 1, 2016. The appellant also submitted Multiple Listing Service printouts of active listings for two other units in the subject building.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$146,235. The subject's assessment reflects a market value of \$1,462,350 including land, when applying the 2016 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%. The board of review's submitted a list of the subject units' assessments and percentages of ownership, including the "PIN" ending in 1002 which has a 19.00% ownership in the condominium as a whole.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The Board finds subject property "PIN" -1002 had a market value of \$222,000 as of the assessment date at issue. This unit has a 19.00% ownership interest in the condominium as a whole. When the appraised value of this unit is divided by its percentage of ownership of 19.00%, the resulting market value of the condominium as a whole is \$1,168,421. Since market value has been established the 2016 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
