

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: George Vukotich  
DOCKET NO.: 16-24061.001-R-1  
PARCEL NO.: 15-01-210-022-0000

The parties of record before the Property Tax Appeal Board are George Vukotich, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$9,400  
**IMPR.:** \$44,244  
**TOTAL:** \$53,644

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame and masonry exterior construction with 3,183 square feet of living area. The dwelling is approximately 72 years old. Features of the home include a full unfinished basement, central air conditioning and one fireplace. The property has a 9,400 square foot site located in River Forest, River Forest Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located in the same neighborhood code as the subject property. The comparables are improved with two-story dwellings of masonry or frame and masonry exterior construction ranging in size from 2,519 to 3,242 square feet of living area. The comparables range in age

from 63 to 72 years old. Each comparable has a basement with two having finished area. Each comparable has central air conditioning, one to three fireplaces and a one-car or a two-car garage. The comparables have improvement assessments ranging from \$34,551 to \$42,243 or from \$12.60 to \$13.71 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$42,175 or \$13.25 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$55,108. The subject property has an improvement assessment of \$45,708 or \$14.36 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located in the same neighborhood code as the subject property. The comparables are improved with one-story or two-story dwellings of frame, masonry or frame and masonry exterior construction ranging in size from 1,844 to 3,260 square feet of living area. The comparables range in age from 61 to 78 years old. Each comparable has a basement with three having finished area. Each comparable has one or two fireplaces and a two-car garage. Three comparables have central air conditioning. The comparables have improvement assessments ranging from \$34,762 to \$46,774 or from \$14.35 to \$18.85 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted eight suggested comparables for the Board's consideration. The Board gave more weight to the appellant's comparables #2 and #4, as well as the board of review's comparables #3 and #4 as they are most similar to the subject in location, design, age, dwelling size, and features, except each comparable has a garage which the subject lacks. These comparables have improvement assessments ranging from \$39,428 to \$46,774 or from \$12.60 to \$14.80 per square foot of living area. The subject's improvement assessment of \$45,708 or \$14.36 per square foot of living area falls within the range established by the best comparables in this record; however, the subject's assessment is not justified based on its inferior attributes. The subject is inferior to the other comparables in this record as it lacks a garage, has fewer fireplaces and/or lacks finished area. The Board gave less weight to the parties' remaining comparables due to their smaller dwelling sizes and/or one-story height in contrast to the subject's two-story design. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
