

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Scott & Lauren Kogen
DOCKET NO.: 16-24470.001-R-1
PARCEL NO.: 05-08-100-001-0000

The parties of record before the Property Tax Appeal Board are Scott & Lauren Kogen, the appellant(s), by attorney David R. Bass, of Field and Goldberg, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 34,412
IMPR.: \$ 45,568
TOTAL: \$ 79,980

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a two-story dwelling of masonry construction with 2,666 square feet of living area. The dwelling is 93 years old. Features of the home include a full unfinished basement, central air conditioning, two fireplaces, and a two-car garage. The property has a 15,642 square foot site, and is located in Glencoe, New Trier Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance. No evidence was submitted as to whether the subject is owner occupied.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on six sale comparables. These comparables sold between October 2013 and October 2016 for \$665,000 to \$1,155,000, or \$253.24 to \$369.13 per square foot of living area, including land. The appellant's evidence states that the subject's assessment

is \$109,971, which reflects a market value of \$1,099,710, or \$412.49 per square foot of living area, including land, when applying the 2016 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$78,154.

The board of review was found to be in default, and, therefore, did not submit any evidence in support of the subject's current assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof, and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be appellant's comparables #1, #3, and #6. These comparables sold for prices ranging from \$253.24 to \$369.13 per square foot of living area, including land. The subject's assessment reflects a market value of \$412.49 per square foot of living area, including land, which is above the range established by the best comparables in this record. Based on this record, the Board finds the appellant has proven, by a preponderance of the evidence, that the subject is overvalued, and that a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
