

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Terry Diamond  
DOCKET NO.: 16-24497.001-R-1  
PARCEL NO.: 14-29-202-030-0000

The parties of record before the Property Tax Appeal Board are Terry Diamond, the appellant(s), by attorney Ciarra Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 22,400  
**IMPR.:** \$ 96,302  
**TOTAL:** \$118,702

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of two improvements on one parcel of land. For purposes of this decision, Improvement #1 is a three-story dwelling of masonry construction with 3,770 square feet of living area. The dwelling is 124 years old. Improvement #2 is a three-story, masonry dwelling with 3,168 square feet of living area. It is 124 years old. The improvements are situated on a 4,000 square foot site. The property is located in Lakeview Township, Cook County. Both improvements are classified as Class 2-11 property under the Cook County Real Property Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables for Improvement #1. The suggested comparables ranged in improvement assessment per square foot of living area from \$10.97 to \$12.67. The appellant also submitted information on four equity comparables for

Improvement #2. The suggested comparables ranged in improvement assessment per square foot of living area from \$12.12 to \$12.69. Based on this evidence, the appellant requested an assessment reduction to \$108,610.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$118,702. Improvement #1 has an improvement assessment of \$52,843, or \$14.02 improvement assessment per square foot. The improvement assessment for Improvement #2 is \$43,459, or \$13.72 improvement assessment per square foot. The board of review submitted four equity comparables for each Improvement #1 and Improvement #2. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity for Improvement #1 to be the appellant's comparables #1 through #4, as well as board of review's comparables #1 through #4. These comparables had improvement assessments that ranged from \$10.97 to \$17.02 per square foot of living area. The subject's improvement assessment for Improvement #1 of \$14.02 per square foot of living area falls within the range established by the best comparables in this record.

The Board finds the best evidence of assessment equity for Improvement #2 to be the appellant's comparables #1 through #4, as well as board of review's comparables #1 through #4. These comparables had improvement assessments that ranged from \$12.12 to \$17.75 per square foot of living area. The subject's improvement assessment for Improvement #2 of \$13.72 per square foot of living area falls within the range established by the best comparables in this record.

Based on the evidence contained in this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvements were inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
