

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lisa Spentzos
DOCKET NO.: 16-24590.001-R-1
PARCEL NO.: 02-24-103-025-0000

The parties of record before the Property Tax Appeal Board are Lisa Spentzos, the appellant(s), by attorney Joanne Elliott, of Elliott & Associates, P.C. in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,000
IMPR.: \$10,510
TOTAL: \$19,510

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 20,000 square foot parcel of land improved with a 51-years old, one-story, masonry, single-family dwelling containing 1,964 square feet of building area. The property is located in Palatine, Palatine Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the market value argument, the appellant submitted copies of an affidavit, the settlement statement, and the multiple listing database sheet which disclosed the purchase of the subject on June 30, 2014 for \$195,100.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$32,962 which reflects a market value of \$329,620 using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10% .

In support of the assessment the board of review submitted sales data on three comparables. These comparables are described as one-story, masonry, single-family dwellings. They sold from July 2013 to May 2014 for prices ranging from \$144.74 to \$154.21 per square foot of building area.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in June 2014 for a price of \$195,100. The appellant submitted evidence of the sale of the subject, that it was listed on the open market, and that real estate brokers were involved with the sale. The board of review did not challenge the sale or the arm's-length nature of the transaction. Based on this record the Board finds the subject property had a market value of \$195,100 as of the lien date. The Board further finds the appellant submitted incorrect and unsupported assessment ratio evidence and gives this evidence no weight. Since market value has been determined, the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
