

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: William Bradford
DOCKET NO.: 16-24597.001-R-1
PARCEL NO.: 05-33-408-032-0000

The parties of record before the Property Tax Appeal Board are William Bradford, the appellant(s), by attorney Andrew S. Dziuk, of Andrew Dziuk, Esq. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$15,470
IMPR.: \$33,844
TOTAL: \$49,314

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 9,100 square foot parcel of land improved with a 103-year old, two-story, stucco, single-family dwelling containing 1,425 square feet of building area. The property is located in New Trier Township, Cook County and is a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends inequity as the basis of the appeal. In support of the equity argument, the appellant submitted four comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment is \$51,736 with an improvement assessment of \$36,266 or \$25.45 per square foot of building area. In support of the assessment the board of review submitted three equity comparables.

At hearing, the appellant's attorney argued that the appellant's comparables are similar to the subject and are assessed lower than the subject. He asserted that the assessor's office granted a reduction to the appellant for the 2017 assessment year. The board of review's representative objected to the relevance of the 2017 reduction and asserted that the board of review's comparable #3 is the best comparable. In rebuttal, the appellant's attorney asserted that the board of review's comparables support a reduction.

Conclusion of Law

The Board gives no weight to the appellant's argument that the 2016 assessment should be reduced because the assessor reduced the 2017 assessment. The Board finds in the recent decision of Moroney & Co. v. Property Tax Appeal Board, 2013 IL App (1st) 120493, 2 N.E.3d 522, the court at ¶46 did not perceive Hoyne and 400 Condominium as standing for the proposition that "subsequent actions by assessing officials are fertile grounds to demonstrate a mistake in a prior year's assessments." Hoyne Savings & Loan Association v. Hare, 60 Ill.2d 84, 322 N.E.2d 833 (1974) and 400 Condominium Association v. Tully, 79 Ill.App.3d 686, 398 N.E.2d 951 (1st Dist. 1979). In Moroney, the court wrote in pertinent part:

... in each of those unique cases, which are confined to their facts, there were glaring errors in the tax assessments -- in Hoyne, the assessment was increased on a property from \$9,510 to \$246,810 in one year even though no changes or improvements to the property had occurred (Hoyne, 60 Ill.2d at 89), and in 400 Condominium, assessments on a garage were assessed separately from the adjoining condominium in violation of the Condominium Property Act (400 Condominium, 79 Ill.App.3d at 691). Here, based upon the evidence that was submitted, there is no evidence that there was an error in the calculation of the 2005 assessment. Rather, the record shows that the 2005 assessment was properly calculated based on the market value of the property.

The Property Tax Appeal Board finds the appellant presented no credible evidence showing there were unusual circumstances present in this 2016 appeal relative to the establishment of the subject's assessment for the 2017 tax year.

The taxpayer also contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b).

The Board finds the best evidence of assessment equity to be the appellant's comparable #2 and the board of review's comparables #1 and #2. These comparables had assessments that ranged from \$19.73 to \$23.78 per square foot of building area. The subject's improvement assessment of \$25.45 per square foot of building area falls above the range established by the best comparables in this record. Based on this record the Board finds the appellant did demonstrate

with clear and convincing evidence that the subject was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
