

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Alec Dike
DOCKET NO.: 16-24640.001-R-1
PARCEL NO.: 05-28-409-008-0000

The parties of record before the Property Tax Appeal Board are Alec Dike, the appellant, by attorney Arnold G. Siegel, of Siegel & Callahan, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,756
IMPR.: \$65,044
TOTAL: \$81,800

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and frame exterior construction with 3,235 square feet of living area. The dwelling is approximately 77 years old. Features of the home include a full unfinished basement, central air conditioning, two fireplaces and a 2-car garage. The property has an 8,378 square foot site and is located in Wilmette, New Trier Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$818,000 as of January 1, 2016. The appraisal was prepared by Gary Wydra, a certified residential real estate appraiser. In estimating the market value of the subject property, the appraiser developed the sales comparison approach to value.

The appraiser analyzed three comparable sales located from .89 to 3.64 miles from the subject property. The comparables consist of 2-story dwellings that range in age from 49 to 62 years old. The dwellings range in size from 2,680 to 3,213 square feet of living area and are situated on sites ranging in size from 5,625 to 13,300 square feet of land area. The comparables have partial or full finished basements, central air conditioning, one fireplace and 2-car garages. The comparables sold in April or August 2015 for prices ranging from \$790,000 to \$822,500 or from \$255.99 to \$294.78 per square foot of living area, including land. The appraiser made adjustments to each comparable for differences from the subject property to arrive at adjusted prices ranging from \$812,500 to \$824,300.

Based on this evidence, the appellant requested the total assessment be reduced to \$81,800 which would reflect the appraised value.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$98,160. The subject's assessment reflects a market value of \$981,600 or \$303.43 per square foot of living area, land included, when using the level of assessments for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of the subject's assessment, the board of review submitted information on four comparable sales with the same neighborhood and classification codes as the subject property. The comparables consist of 2-story dwellings that range in age from 71 to 111 years old. The dwellings range in size from 2,789 to 3,264 square feet of living area and are situated on sites ranging in size from 8,800 to 17,600 square feet of land area. The comparables have partial or full basements, one of which has finished area. All have one or two fireplaces and 2-car or 3-car garages. Three of the homes have central air conditioning. The comparables sold from May to October 2015 for prices ranging from \$958,245 to \$1,725,000 or from \$343.58 to \$528.49 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In written rebuttal, counsel for the appellant critiqued the board of review's submission noting the evidence is based on unadjusted sale comparables. Counsel also argued that the board of review comparables are superior in many features when compared to the subject property.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains an appraisal submitted by the appellant and four comparable sales provided by the board of review. The Board finds the best evidence of market value to be the appraisal submitted by the appellant, estimating the subject property had a market value of \$818,000 as of January 1, 2016. In estimating the market value of the subject property, the appraiser developed

the sales comparison approach to value. The Board gave less weight to the board of review's comparable sales #2 through #4 due to older ages when compared to the subject property. Furthermore, the Board finds board of review's comparable sale #1 tends to support the appellant's overvaluation argument.

Based on this record the Board finds the subject's assessment is not reflective of market value and a reduction in the subject's assessment is warranted commensurate with the appellant's request.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
