

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Greenspire Residential Partners
DOCKET NO.: 16-24875.001-R-1
PARCEL NO.: 05-07-409-014-0000

The parties of record before the Property Tax Appeal Board are Greenspire Residential Partners, the appellant(s), by attorney Scott L. David, of Much Shelist in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$14,560
IMPR.: \$106,472
TOTAL: \$121,032

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling with 3,314 square feet of living area. Features of the home include a full basement, central air conditioning, and a two-car garage. The property is located in New Trier Township, Cook County. The property is a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$1,000,000 as of May 23, 2013. The Board notes that portions of the appraisal were blacked out including the section in the appraisal that would include the subject's recent purchase price.

In a letter dated September 11, 2019, the Property Tax Appeal Board denied the board of review's motion to vacate default.

The subject has an assessment \$121,032 or a market value of \$1,210,320 for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the appellant did not meet the burden of submitting evidence to show by a preponderance of the evidence that the subject is overvalued. The Board notes the appellant's appraisal included several sections where key data was blacked out. As such, the Board finds the appraisal incomplete and unreliable. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
