

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jennifer Sheehan
DOCKET NO.: 16-24889.001-R-1
PARCEL NO.: 05-33-110-004-0000

The parties of record before the Property Tax Appeal Board are Jennifer Sheehan, the appellant, by attorney Scott L. David, of Much Shelist in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$15,045
IMPR.: \$69,955
TOTAL: \$85,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 3,078 square feet of living area. The dwelling is approximately 19 years old. Features of the home include a partial finished basement, central air conditioning, a fireplace and a 2-car garage. The property has an 8,850 square foot site and is located in Wilmette, New Trier Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$845,000 as of January 1, 2016. The appraisal was prepared by David Barros, a certified general real estate appraiser. In estimating the market value of the subject property, the appraiser developed the sales comparison approach to value.

The appraiser analyzed four comparable sales located in Wilmette, Illinois. The comparables consist of 2-story dwellings that were built from 1990 to 2004. The dwellings range in size from 3,136 to 4,052 square feet of living area and are situated on sites ranging in size from 6,600 to 9,750 square feet of land area. The comparables sold from June 2015 to November 2016 for prices ranging from \$865,000 to \$1,090,000 or from \$269.00 to \$276.37 per square foot of living area, including land. The appraiser made adjustments to each comparable for differences from the subject property to arrive at final modified prices ranging from \$270.59 to \$276.37 per square foot of living area.

Based on this evidence, the appellant requested the total assessment be reduced to \$85,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$100,921. The subject's assessment reflects a market value of \$1,009,210 or \$327.88 per square foot of living area, including land, when using the level of assessments for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of the subject's assessment, the board of review submitted information on four comparable sales with the same neighborhood and classification codes as the subject property. The comparables consist of 2-story dwellings that range in age from 7 to 18 years old. The comparables have full finished basements, central air conditioning, one or two fireplaces and 2-car garages. The dwellings range in size from 3,004 to 3,622 square feet of living area and are situated on sites ranging in size from 7,266 to 10,285 square feet of land area. The comparables sold from June 2015 to September 2016 for prices ranging from \$1,110,000 to \$1,450,000 or from \$331.05 to \$402.67 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains an appraisal submitted by the appellant and four comparable sales provided by the board of review. The Board finds the best evidence of market value to be the appraisal submitted by the appellant, estimating the subject property had a market value of \$845,000 as of January 1, 2016. In estimating the market value of the subject property, the appraiser developed the sales comparison approach to value. The Board gave less weight to the board of review's comparable sales #2 and #3 due to their newer ages and larger dwelling sizes when compared to the subject property. Furthermore, the Board gave less weight to the two remaining board of review's comparable sales due to the fact that unadjusted comparables do not overcome the appellant's appraisal report that included four comparables that were adjusted by the appellant's appraiser and which the Board has reviewed and appears to be logical and reasonable.

Based on this record the Board finds the subject's assessment is not reflective of market value and a reduction in the subject's assessment is warranted commensurate with the appellant's request.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
