

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gary Salvestrini
DOCKET NO.: 16-25077.001-R-1
PARCEL NO.: 02-18-103-024-0000

The parties of record before the Property Tax Appeal Board are Gary Salvestrini, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,225
IMPR.: \$51,906
TOTAL: \$60,131

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of masonry construction with 3,214 square feet of living area. The dwelling is approximately 33 years old. Features of the home include a full finished basement, central air conditioning, three fireplaces and a three-car garage. The property has a 47,001 square foot site and is located in Inverness, Palatine Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. The subject's land assessment was not contested. In support of this argument the appellant submitted information on three equity comparables located in the same neighborhood code as the subject property. The comparables were improved with one-story dwellings of frame and masonry exterior construction ranging in size from 3,309 to 3,582 square feet of living area. The comparables

range in age from 32 to 49 years old. Each comparable has a basement with two comparables having a finished area, central air conditioning, one or two fireplaces and either a 2.5-car or three-car garage. The comparables have improvement assessments ranging from \$45,605 to \$51,949 or from \$13.78 to \$15.07 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$46,442 or \$14.45 per square foot.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$60,131. The subject property has an improvement assessment of \$51,906 or \$16.15 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located in the same neighborhood code as the subject property. The comparables range in age from 31 to 34 years old. The comparables are improved with one-story or 1.5-story dwellings of masonry exterior construction ranging in size from 3,118 to 3,641 square feet of living area. Each comparable has a full basement with three comparables having finished areas, central air conditioning, a fireplace, and a two-car or three-car garage. The comparables have improvement assessments ranging from \$50,405 to \$59,767 or from \$16.15 to \$18.12 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven suggested comparables for the Board's consideration. The Board gave less weight to the appellant's comparable #1 based on its older age and comparables #2 and #3 due to their exterior construction when compared to the subject. The Board gave less weight to the board of review's comparables #3 and #4 due to their 1.5-story design when compared to the subject's one-story design. The Board gave greater weight to the board of review's comparables #1 and #2 which are similar in location, dwelling size, design, exterior construction, foundation and most features when compared to the subject property. These comparables had improvement assessments of \$50,405 and \$59,767 or \$16.17 and \$18.12 per square foot of living area respectively. The subject's improvement assessment of \$51,906 or \$16.15 per square foot of living area is between the two most similar comparables on an overall basis and less on a per square foot basis. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's improvement assessment is supported. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
