

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: CHGO Orchard Partners  
DOCKET NO.: 16-25427.001-R-1 through 16-25427.002-R-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are CHGO Orchard Partners, the appellant(s), by attorney George J. Relias, of Relias Law Group, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

<b>DOCKET NO</b>	<b>PARCEL NUMBER</b>	<b>LAND</b>	<b>IMPRVMT</b>	<b>TOTAL</b>
16-25427.001-R-1	14-28-115-032-0000	22,050	50,127	\$ 72,177
16-25427.002-R-1	14-28-115-033-0000	22,050	51,614	\$ 73,664

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject consists of two improvements. Improvement #1 is a three-story dwelling of masonry construction with 2,832 square feet of living area. Improvement #1 is 107 years old. Features of Improvement #1 include a full basement with a formal recreation room, central air conditioning, and a two-car garage. Improvement #1 has a 3,675 square foot site. Improvement #2 is a three-story dwelling of masonry construction with 2,916 square feet of living area. Improvement #2 is 107 years old. Features of Improvement #2 include a full unfinished basement and central air conditioning. Improvement #2 has a 3,675 square foot site. The subject is located in Chicago, Lake View Township, Cook County. Both improvements are classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance. The subject is owned by a business entity, and, therefore, it is not owner occupied.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables. Based on this evidence, the appellant requested a reduction in Improvement #1's assessment to \$72,177, and in Improvement #2's assessment to \$73,664.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for Improvement #1 of \$99,916. Improvement #1 has an improvement assessment of \$77,866, or \$27.50 per square foot of living area. Improvement #2 has an improvement assessment of \$77,782, or \$26.67 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables, and one sale comparable. The board of review's evidence also states that the subject was purchased in April 2013 for \$1,137,948.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did meet this burden of proof, and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of assessment equity for Improvement #1 to be appellant comparables #2, #3, and #4. These comparables had improvement assessments that ranged from \$14.85 to \$16.54 per square foot of living area. Improvement #1's improvement assessment of \$27.50 per square foot of living area falls above the range established by the best comparables in this record.

The Board finds the best evidence of assessment equity for Improvement #2 to be appellant comparables #2, #3, and #4. These comparables had improvement assessments that ranged from \$14.85 to \$16.54 per square foot of living area. Improvement #2's improvement assessment of \$26.67 per square foot of living area falls above the range established by the best comparables in this record. Based on this record, the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed, and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
