

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Alan Keribar
DOCKET NO.: 16-25572.001-R-1
PARCEL NO.: 14-08-120-007-0000

The parties of record before the Property Tax Appeal Board are Alan Keribar, the appellant, by attorney Glenn S. Guttman, of Rieff Schramm Kanter & Guttman in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$19,370
IMPR.: \$44,130
TOTAL: \$63,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 120-year-old, two-story dwelling of masonry construction with 2,356 square feet of living area. Features of the home include a full basement, a fireplace, and a two-car garage. The property has a 4,612 square foot site and is located in Lake View Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation and assessment inequity. In support of the overvaluation argument, the appellant submitted evidence disclosing the subject property was purchased on August 4, 2014 for a price of \$635,000. In addition, the appellant argued that the subject is 100% vacant and uninhabitable. In support of this argument, the appellant submitted a Vacancy Affidavit and a Third-Party Witness Affidavit. The Third-Party Affidavit was prepared by the appellant's architect who affirmed that the subject was vacant and uninhabitable for the

entirety of 2014 and 2015. In support of the assessment inequity, the appellant submitted information on three suggested equity comparables. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$23,783.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$63,500. The subject has an improvement assessment of \$44,130 or \$18.73 per square foot of living area. The subject's assessment reflects a market value of \$635,000 when using the 2016 level of assessments for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four suggested equity comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds that the appellant failed to meet its burden of proof that the subject was uninhabitable during the 2016 lien year. The Board finds that the Third-Party affidavit is not specific as to uninhabitability during the entirety of the lien year at issue. In addition, the appellant did not present any orders to vacate the entire premise or restrictions on occupancy for the lien year at issue. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

The taxpayer also contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be appellant's comparable #1, #2, and #3, and the board of review's comparables #2 and #3. These comparables had improvement assessments that ranged from \$17.21 to \$20.04 per square foot of living area. The subject's improvement assessment of \$18.73 per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
