

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gold Coast Properties, LLC
DOCKET NO.: 16-25747.001-I-1
PARCEL NO.: 08-22-300-057-0000

The parties of record before the Property Tax Appeal Board are Gold Coast Properties, LLC, the appellant(s), by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$13,500
IMPR.: \$38,489
TOTAL: \$51,989

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story, 44-year old, masonry industrial warehouse building containing 9,696 square feet of building area. It is situated on a 20,000 square foot site and is located in Elk Grove Township, Cook County. The subject is classified as a class 6-63 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the overvaluation argument the appellant submitted evidence disclosing the subject property was purchased pursuant to a bank sale ("REO") on January 10, 2014 for a price of \$275,000, or \$28.36 per square foot, including land. The property was sold "by owner" and the parties to the transaction were unrelated. The appellant's sale evidence consisted of a Special Warranty Deed and the Real Property Transfer Tax Declaration form.

The appellant also submitted the "Board of Review-Result Letter" disclosing the total assessment for the subject of \$51,989. The subject's assessment reflects a market value of \$519,890 or \$53.62 per square foot, including land, when applying the assessment level of 10% as established by the Cook County Real Property Classification Ordinance.

In support of the subject's assessment, the board of review failed to submit any documentation.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds that the sale of the subject in January 2014 for \$275,000 was a "compulsory sale" through the documentation submitted by the appellant. A "compulsory sale" is defined as:

(i) the sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the lender or mortgagor has agreed to the sale, commonly referred to as a "short sale" and (ii) the first sale of real estate owned by a financial institution as a result of a judgment of foreclosure, transfer pursuant to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete.

Additionally, real property in Illinois must be assessed at its fair cash value, which can only be estimated absent any compulsion on either party.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is likewise ready, willing, and able to buy, but is not forced to do so.

Bd. of Educ. of Meridian Cmty. Unit Sch. Dist. No. 223 v. Ill. Prop. Tax Appeal Bd., 2011 IL App (2d) 100068, ¶ 36 (citing Chrysler Corp. v. Ill. Prop. Tax Appeal Bd., 69 Ill.App.3d 207, 211 (2d Dist. 1979)).

However, when there is a recent sale of the subject, and that sale is a compulsory, the Board may consider evidence which would show whether the sale price was representative of the subject's fair cash value. See 35 ILCS 200/16-183 ("The Property Tax Appeal Board shall consider compulsory sales of comparable properties for the purpose of revising and correcting assessments, including those compulsory sales of comparable properties submitted by the taxpayer."). Such evidence can include the descriptive and sales information for recently sold properties that are similar to the subject. See Id.

The parties' evidence did not dispute that the sale was a compulsory sale in the form of an REO sale. Neither party submitted sale comparables to show that the sale of the subject in January 2014 for \$28.36 per square foot of building area was at its fair cash value. Since there is no supporting evidence from the appellant that the sale price of the subject was at its fair cash value, the Board finds that the subject is not overvalued and holds that a reduction is not warranted on this basis.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
