

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Charles Zade  
DOCKET NO.: 16-26189.001-R-1  
PARCEL NO.: 02-30-109-012-0000

The parties of record before the Property Tax Appeal Board are Charles Zade, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$5,449  
**IMPR.:** \$44,907  
**TOTAL:** \$50,356

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is a 29 year-old, two-story dwelling of frame construction containing 3,398 square feet of living area. Features of the subject included a full unfinished basement, one fireplace and a two-car garage. The property has a 9,478 square foot site located in Palatine Township, Cook County. The subject is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on four suggested equity comparable properties. These properties ranged from 3,209 to 3,423 square feet of living area and were located from 1.25 to 1.70 miles from the subject.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$50,356. The subject property has an improvement assessment of \$44,907, or \$13.22 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four suggested equity comparable properties. These properties ranged from 3,345 to 3,443 square feet of living area and were located from the same block to 0.25 miles from the subject.

In rebuttal, the appellant argued that the board of review's selected equity comparable properties failed to show uniformity with other properties in the subject's neighborhood.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparable properties to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the board of review's comparable(s) #1, #2, #3 and #4. These comparable properties were most similar with the subject, had improvement assessments that ranged from \$13.48 to \$13.96 per square foot of living area and were located closely to the subject. The subject's improvement assessment of \$13.22 per square foot of living area falls below the range established by the best comparable properties in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and holds that a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
