

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Tom Li  
DOCKET NO.: 16-26482.001-R-1  
PARCEL NO.: 18-19-102-009-0000

The parties of record before the Property Tax Appeal Board are Tom Li, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$13,425  
**IMPR.:** \$91,442  
**TOTAL:** \$104,867

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is improved with a two-story single-family dwelling of masonry construction with 6,660 square feet of living area. The dwelling is approximately 24 years old. Features of the home include a full basement with a recreation room, central air conditioning, four fireplaces and a three-car attached garage. The property has a 23,348 square foot site and is located in Burr Ridge, Lyons Township, Cook County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables. The comparables are improved with two-story dwellings of masonry exterior construction that range in size from 6,176 to 6,764 square feet of living area and in age from 9 to 19 years old. Each comparable has a full basement with one being finished with a recreation room, central air conditioning, one to three fireplaces and a four-car attached garage. The

comparables have improvement assessments ranging from \$85,915 to \$91,585 or from \$13.54 to \$13.92 per square foot of living area. The appellant submitted a copy of the final decision of the board of review disclosing the property has a total assessment of \$120,052 and an improvement assessment of \$106,627 or \$18.03 per square foot of living area. The appellant requested the subject's improvement assessment be reduced to \$91,442.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of assessment equity to be the appellant's comparables. These comparables have improvement assessments that range from \$13.54 to \$13.92 per square foot of living area. The subject's improvement assessment of \$18.03 per square foot of living area falls above the range established by the only comparables in this record and is not justified when considering the subject's inferior age and differing features in contrast to the comparables. The board of review did not submit any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a) & §1910.69(a). The Board has examined the evidence submitted by the appellant and finds that a reduction in the assessed valuation of the subject property is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
