

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Wei Zhang  
DOCKET NO.: 16-26556.001-R-1  
PARCEL NO.: 14-20-331-016-0000

The parties of record before the Property Tax Appeal Board are Wei Zhang, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$16,531  
**IMPR.:** \$68,865  
**TOTAL:** \$85,396

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2,952 square foot parcel of land with two improvements. The improvements are 127-year old, two-story, frame or frame and masonry, multi-family dwellings containing 2,968 and 1,627 square feet of building area. The property is located in Chicago, Lake View Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the market value argument, the appellant submitted four sales comparables. The properties are described as two or three-story, masonry, multi-family dwellings. They range in age from 94 to 122 and in size from 2,364 to 3,186 square feet of building area. They sold from July 2014 to March 2015 for prices ranging from \$185.45 to \$244.78 per square foot of building area. The appellant only listed one improvement containing 2,968 square feet of building area for the subject property.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$85,396 which reflects a market value of \$853,960 or \$185.85 per square foot of building area using both improvements' square footage and applying the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of the assessment the board of review submitted eight sales comparables. These properties are described as one and one-half or two-story, frame or masonry, multi-family dwellings. They range in age from 97 to 129 years and in size from 1,839 to 3,028 square feet of building area. These properties sold from June 2014 to November 2016 for prices ranging from \$280.04 to \$800.87 per square foot of building area.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The parties submitted a total of 12 sales comparables in support of the subject's market value. The Board finds the best evidence of market value to be the appellant's comparables #2 and #4 and the board of review's comparables #1, #2, #3, #4, #6, #7, and #8. These properties sold from June 2014 to November 2016 for prices ranging from \$185.45 to \$800.87 per square foot of building area. The remaining comparables were given diminished weight for differences in design. The Board finds that the board of review's comparable #7, which sold for \$800.87 per square foot of building area, is an outlier and gives this comparable less weight. In comparison, the subject's assessment reflects a market value of \$185.85 per square foot of building area which is within the purchase prices of the best comparables in the record. Based on this record the Board finds the appellant did not demonstrate by a preponderance of the evidence that the subject was overvalued and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
