

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Adam Danowski
DOCKET NO.: 16-27129.001-R-1
PARCEL NO.: 02-19-132-066-0000

The parties of record before the Property Tax Appeal Board are Adam Danowski, the appellant, by attorney Stephanie Park, of Park & Longstreet, P.C. in Rolling Meadows; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 4,354
IMPR.: \$14,046
TOTAL: \$18,400

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 38-year-old, one-story dwelling of frame construction with 1,303 square feet of living area. Features of the home include a full basement, central air conditioning, a fireplace and a one-car garage. The property has a 7,573 square foot site and is located in Palatine Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation and assessment inequity as the bases of the appeal. In support of the overvaluation argument, the appellant submitted evidence disclosing the subject property was purchased on December 4, 2015 for a price of \$184,000. In support of the sale, the appellant submitted a copy of an affidavit stating that the sale was at arm's length and the HUD settlement statement of the 2015 transaction. In addition, the appellant submitted

information on four suggested equity comparables and four sales comparables. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$24,381. The subject has an improvement assessment of \$20,027 or \$15.37 per square foot of living area. The subject's assessment reflects a market value of \$243,810 when using the 2016 level of assessments for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four suggested equity comparables with sales data on each of those properties. In addition, the board of review's comparables grid reflects the subject's 2015 sale for \$184,000.

In written rebuttal, appellant's attorney argued the board of review did not dispute the arm's length nature of the subject's 2015 sale.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in April, 2014 for a price of \$210,000. The appellant provided evidence demonstrating the sale of the subject. The Board finds that the comparable sales submitted by the appellant support the 2014 sale price. The Board also finds the purchase price is below the market value reflected by the assessment. Based on this record the Board finds the subject property had a market value of \$210,000 as of January 1, 2016. Since market value has been determined the 2016 level of assessments for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. 86 Ill.Admin.Code §1910.50(c)(2). After a reduction in the assessment, the Board finds the subject property to be equitably assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
