

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Steve Stach
DOCKET NO.: 16-27606.001-R-1
PARCEL NO.: 08-14-109-015-0000

The parties of record before the Property Tax Appeal Board are Steve Stach, the appellant(s), by attorney Ellen G. Berkshire, of Verros Berkshire, PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,468
IMPR.: \$20,528
TOTAL: \$24,996

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an 8,125 square foot parcel of land improved with a 51-year old, one-story, frame and masonry, single-family dwelling containing 1,381 square feet of building area. The property is located in Elk Grove Township, Cook County and is a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation and inequity as the bases of the appeal. In support of the market value argument, the appellant submitted four sales comparables. These comparables are described as one or one and one-half story, masonry or frame and masonry, single-family dwellings located within 3.4 miles of the subject. They range in age from 35 to 55 years and in size from 1,116 to 1,720 square feet of building area. The properties sold from March to April 2016 for prices ranging from \$141.18 to \$181.45 per square foot of building area. In support of the equity argument, the appellant submitted four comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment is \$27,873 with an improvement assessment of \$23,405 or \$16.95 per square feet of building area. This assessment reflects a market value of \$278,730 or \$201.83 per square foot of building area when using the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of the assessment the board of review submitted four equity comparables. These properties are described as one-story, frame and masonry, single-family dwellings. They range: in age from 53 to 57 years; in size from 1,040 to 1,404 square feet of building area; and in improvement assessment from \$17.487 to \$20.56 per square foot of living area.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the appellant's comparables. These comparables are the most similar to the subject with sale dates most reflective of the lien date. They sold from March to April 2016 for prices ranging from \$141.18 to \$181.45 per square foot of building area. The subject's assessment reflects a market value of \$201.83 per square foot of building area which is above the range of the best comparables in the record. Based on the record and after adjustments to the comparables for differences in location and other pertinent factors, the Board finds the appellant did demonstrate by a preponderance of the evidence that the subject was overvalued, and a reduction is justified. The Board finds after this reduction, the subject is equitably assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
