

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kristie M. Scriba Trust
DOCKET NO.: 16-27740.001-R-1
PARCEL NO.: 18-08-319-003-0000

The parties of record before the Property Tax Appeal Board are Kristie M. Scriba Trust, the appellant(s), by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 5,265
IMPR.: \$29,225
TOTAL: \$34,490

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 55-year-old, one-story dwelling of masonry construction with 1,670 square feet of living area. Features of the home include a full basement, central air conditioning, and a one-car garage. The property has an 8,775 square foot site and is located in Lyons Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on June 10, 2016 for a price of \$300,000 or \$206.53 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's assessment to 10% of the purchase price. In support of the sale, the appellant submitted a signed HUD settlement statement, a copy of the PTAX-203 reflecting that the subject was not advertised for sale, and a copy of the Multi-Board Residential

Real Estate Contract 5.0. In addition, the appellant completed Section IV of the residential appeal form that reflected that the subject was not advertised for sale.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$34,490. The subject's assessment reflects a market value of \$344,900 or \$206.53 per square foot of living area, land included, when using the 2016 level of assessments for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information four suggested equity comparables with sales data on each of those properties.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the appellant failed to meet its burden of showing that the subject sold in an arm's length transaction. The appellant asserted, in Section IV of the appeal form, that the subject was not advertised for sale. In addition, the appellant submitted the PTAX-203 Illinois Real Estate declaration which confirms that the subject property was not advertised for sale. In addition, the Board finds the best evidence of market value to be the board of review's comparable sales. These comparables sold for prices ranging from \$234.32 to \$539.57 per square foot of living area, including land. The subject's assessment reflects a market value of \$206.53 per square foot of living area, including land, which is below the range established by the best comparable sales in this record. Based on this record, the Board finds the appellant failed to meet its burden of proof and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
