

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Arpac LLC
DOCKET NO.: 16-27877.001-I-1
PARCEL NO.: 12-10-302-033-0000

The parties of record before the Property Tax Appeal Board are Arpac LLC, the appellant(s), by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 59,970
IMPR.: \$179,280
TOTAL: \$239,250

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a one-story, masonry industrial building with 29,000 square feet of building area. The property has a 35,538 square foot site, and is located in Leyden Township, Cook County. The subject is classified as class 5-93 property under the Cook County Real Property Assessment Classification Ordinance

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five sale comparables. These comparables sold between September 2014 and June 2016 for prices ranging from \$22.44 to \$33.78 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$205,761.

The appellant submitted the "Board of Review-Result Letter" disclosing the total assessment for the subject of \$305,261. The subject's assessment reflects a market value of \$1,221,044 or \$42.10 per square foot, including land, when applying the assessment level of 25% as established by the Cook County Real Property Classification Ordinance.

In support of the subject's assessment, the board of review failed to submit any documentation.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appellant's comparables #1 through #5 as they were most similar in size, location and design to the subject property. These comparables sold for prices ranging from \$22.44 to \$33.78 per square foot of living area, including land. The subject's assessment reflects a market value of \$42.10 per square foot of living area, including land, which is above the range established by the best comparables in this record. Based on this record, the Board finds the appellant has proven, by a preponderance of the evidence, that the subject is overvalued, and that a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
