

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: K J Aleksander
DOCKET NO.: 16-27888.001-R-1
PARCEL NO.: 20-20-214-025-0000

The parties of record before the Property Tax Appeal Board are K J Aleksander, the appellant(s), by attorney Ronald Justin, of the Law Offices of Ronald Justin in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,437
IMPR.: \$17,224
TOTAL: \$19,661

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story, single-family dwelling of masonry construction with 2,778 square feet of living area. The dwelling was constructed in 1904. The property has a 3,750 square foot site and is located in Chicago, Lake Township, Cook County.

The appellant argued that the fair market value of the subject property was not accurately reflected in its assessed value as the basis of this appeal. In support of the market value argument, the appellant submitted one sale comparable which sold in June 2013 for \$130,000.

The appellant also contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on nine equity comparables. In further support, the appellant submitted a 2015 Board decision granting the subject a reduction based on sale

comparables. The appellant's pleadings do not request a rollover. The appellant's pleadings request a direct appeal.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$19,661. The subject's assessment reflects a market value of \$196,610 or \$70.77 per square foot of living area, land included, when using the 2016 level of assessment for class 2-11 properties of 10% as determined by the Cook County Real Property Classification Code. The subject property has an improvement assessment of \$17,224 or \$6.20 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted four equity comparables. The board of review also submitted a brief stating that the subject does not meet the requirements of a rollover due to it not being owner-occupied.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the board of review's comparables #2 and #3 and the appellant's comparables #1 and #8. These comparables are similar in location, size, construction, and age. These comparables had improvement assessments that ranged from \$0.45 to \$8.66 per square foot of living area. The subject's improvement assessment of \$6.20 per square foot of living area falls within the range established by the best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not warranted.

The appellant also contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds that the appellant failed to submit three comparables. The appellant submitted one sale comparable. The appellant's one similar comparable does not constitute a range. Therefore, the Board finds the appellant failed to meet his burden and reduction is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
