

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rajer Shah
DOCKET NO.: 16-28141.001-R-1
PARCEL NO.: 18-18-404-011-0000

The parties of record before the Property Tax Appeal Board are Rajer Shah, the appellant(s), by attorney Michael Elliott, of Elliott & Associates, P.C. in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,669
IMPR.: \$67,331
TOTAL: \$74,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is a one year-old, two-story dwelling of frame and masonry construction containing 4,009 square feet of living area. Features of the subject include a full finished basement, central air conditioning, one fireplace and a two-car garage. The property has a 6,669 square foot site in Western Springs, Lyons Township, Cook County. The subject is classified as a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted a settlement statement disclosing the subject property was purchased on March 13, 2015 for \$672,876. The subject's sale price reflects a market value of \$167.84 per square foot of living area including land. The appellant also submitted a Purchase Agreement and an appraisal

that estimated the market value of \$740,000 as of August 24, 2016. The appellant provided information in Section IV–Recent Sale Data of the Residential Appeal that the subject was not transferred between related parties; and was sold by a realtor. The appellant failed to disclose how the sale was settled. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price when applying the 2016 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$79,500. The subject's assessment reflects a market value of \$795,000, or \$198.30 per square foot of living area, when applying the 2016 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on four suggested comparable sales.

In rebuttal, the appellant reaffirmed the request for an assessment reduction.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal estimating the market value of \$740,000 as of August 24, 2016. This was the most recent evidence of market value and was made in the 2016 lien year. The purchase of the subject property in March 2015 for \$672,876 was as of the prior lien year. Since market value has been established, the 2016 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
