

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jaclen Cole
DOCKET NO.: 16-28206.001-R-1 through 16-28206.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Jaclen Cole, the appellant, by attorney Daniel J. McNamara, of the Law Offices of Daniel J. McNamara, Ltd. in Oak Lawn; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
16-28206.001-R-1	25-18-317-047-0000	3,932	4,960	\$8,892
16-28206.002-R-1	25-18-317-048-0000	2,790	0	\$2,790

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an 87-year-old, two-story dwelling with 1,180 square feet of living area of frame construction. The property has a 7,909 square foot site and is located in Lake Township, Cook County. The subject has an assessment of \$23,067 or \$195.48 per square foot of living area. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four suggested comparable sales. The appellant also submitted a brief arguing that the subject is vacant as a result of physical, functional, and economic obsolescence.

The board of review did not submit its “Board of Review Notes on Appeal” nor any evidence in support of its assessed valuation of the subject property.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board gave no weight to appellant’s vacancy argument because the appellant failed to provide sufficient evidence to establish that any physical, functional, or economic obsolescence impacted the subject’s rentability and to what extent.

The Board finds the best evidence of market value to be appellant's comparable sales #1, #2, #3, and #4. These comparables sold for prices ranging from \$72.70 to \$99.92 per square foot of living area, including land. The subject's assessment reflects a market value of \$195.48 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
