

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Pinta's Cultured Marble Inc.  
DOCKET NO.: 16-28501.001-I-1 through 16-28501.002-I-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Pinta's Cultured Marble Inc., the appellant(s), by attorney Jennifer Burke, of KBC Law Group in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
16-28501.001-I-1	24-20-404-003-0000	17,448	63,802	\$81,250
16-28501.002-I-1	24-20-404-004-0000	17,448	63,802	\$81,250

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story, industrial building containing 29,022 square feet of building area. The dwelling was constructed in 1969. The property has a 50,760 square foot site and is located in Alsip, Worth Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$650,000 as of January 1, 2014. Appellant requested a reduction in the subject's assessed value to \$162,500.

The board of review decision letter discloses the total assessment for the subject of \$219,214. The subject's assessment reflects a market value of \$876,856 when applying the 2016 level of assessment of 25% for Class 5-93 properties under the Cook County Real Property Assessment

Classification Ordinance. The board of review did not submit any evidence and was held in default by the Board. The board of review filed a motion to vacate default which was denied by the Board in September 2019.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value of \$876,856 which is above the best evidence of market value in the record. The Board finds the subject property had a market value of \$650,000 as of the assessment date at issue. Since market value has been established, the 10% level of assessment as determined by the Cook County Real Property Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
